*Shadow of the Fox* Julie Kagawa,2018-10-02 In this first book of her Japanese mythology-inspired Shadow of the Fox trilogy, bestselling author Julie Kagawa weaves a stunning, high-stakes tale of alliances and deceptions, characters who aren't what they seem, and secrets that could change the fate of the world. Every millennium, whoever holds the Scroll of a Thousand Prayers has the power to call the great Kami Dragon from the sea and ask for one wish. The time is near...and the missing pieces of the scroll will be sought throughout the land of Iwagoto. When demons kill half-kitsune Yumeko's adoptive family, she's forced to flee her home with one part of the ancient scroll. Fate thrusts her into the path of mysterious samurai Kage Tatsumi, who is Yumeko's best hope for survival. But he's under orders to retrieve the scroll. An uneasy alliance forms, and Yumeko begins the deception of a lifetime, knowing her secrets are more than a matter of life or death—they're the key to the fate of the world. **Fox Creek** William Kent Krueger,2023-05-23 The ancient Ojibwe healer Henry Meloux has had a vision of his death. As he walks the Northwoods in solitude, he tries to prepare himself peacefully for the end of his long life. But peace is destined to elude him as hunters enter the woods seeking a woman named Dolores Morriveau, a stranger who had come to Henry for shelter and the gift of his wisdom. Meloux guides this stranger and his great niece, Cork O'Connor's wife, to safety deep inside the Boundary Waters, his home for more than a century. On the last journey he may ever take into this beloved land, Meloux must do his best to outwit the deadly mercenaries who follow. Meanwhile, in Aurora, Cork works feverishly to identify the hunters and the reason for their relentless pursuit, but he has little to go on. In desperation, Cork begins tracking the killers, but his own skills in the wild are severely tested by a late season snowstorm. He knows only too well that with each passing hour time is running out. His fiercest enemy in this deadly game of cat and mouse may be his own deep self-doubt about his ability to save those he loves--Dust jacket flap.
