Making the Best Man's Speech John Bowden,

**How to Give a Killer Best Man Speech** Wedding Mentor,2017-06-02 If you're interested in this book, there's a good chance you've been chosen to be the best man for a wedding. Congratulations!You just just got suckered into doing a ton of work...Seriously though, it goes without saying that the best man has one of the most difficult jobs in the entire wedding party. Aside from the officiant, and perhaps the bride and groom, the best man duties are by far the most numerous and diverse. From holding rings and coordinating with catering personnel, to handling last minute fires, and mingling with guests, the title of best man carries with it a long list of responsibilities. Chief among them is your best man speech. For anyone who's attended weddings before, you've probably seen the good, the bad, and the ugly. Some speakers give great speeches that energize the crowd and leave a memory that will last a lifetime. While others fumble through notes and put the audience to sleep. Worst of all is when a speaker fails so epically, that they leave people feeling awkward or uncomfortable. Intentional or not, this can have a long lasting effect that can ruin the day. Whether it's malfunctioning microphones, lost note cards, or lack of preparation, there are a million things that can go wrong during a best man speech. The purpose of this book is to help you navigate through the common pitfalls most best men make, and prepare you to give a KILLER best man speech. In this book, I'll teach you how to prepare, brainstorm, outline, rehearse, and execute your speech. We'll discuss all of the duties of a best man so you're completely prepared for the day of the wedding. This will include coordinating with the bride and groom, dress and appearance, interacting with friends and family, recording the speech, alcohol consumption and so much more. Additionally you'll learn the most common issues that happen during a best man speech and how to overcome them. Moreover I provide an example speech at the end of the book, that can be tweaked for your particular needs. Ultimately, this book will provide best men with the tools, tips, tricks--and most importantly the confidence--they'll need to give a killer speech. By the end of the event, you'll walk out feeling like a hero and knowing you gave it 110%.

**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**Thanks, Obama** David Litt, 2017-09-19 "Litt is a funny and skillful storyteller... While the first half of the book is enjoyable, the second half is masterly, rising to a crescendo that is as rousing as, well, a particularly inspiring campaign speech." – New York Times Book Review "Graceful, instructive, wry speechwriter memoirs like Litt's are the exception rather than the norm. . . . Thanks, Obama will join the ranks of lasting works about the texture of political life, and of coming-of-age accounts by staffers who grow up personally and politically at the same time." – The Atlantic "His time [in the White House] was as 'hokey changey' as advertised—with a little bit of absurdity and humor added into the mix." – Elle, Best of the Month "Serve[s] as a more devastating indictment

of the current administration than a campaign-style book ever could . . . limber, funny and illuminating.” – New Republic “Highly entertaining . . . much more than a scrapbook of Beltway gossip and Obama idolatry.” – Pacific Standard “Irresistibly charming . . . Litt minted his star converting world affairs into jokes. The translation of satire back to sincerity is trickier to pull off, and lands with its own undeniable grace.” – Slate “Litt is a skilled storyteller with a keen sense of humor and unique experiences and insight to draw upon.” – Bustle “Litt also offers both humor and optimism, two things many of us sorely need these days.” – Bustle, Best of the Month “What Litt understands and what Thanks, Obama makes clear may very soon be forgotten: The finest presidential speeches can heal the nation.” – Paste Magazine “A thoughtful and funny account of life as a minnow surrounded by Washington’s self-important whales . . . ranks with other classics from former White House speechwriters, such as Peggy Noonan’s What I Saw at the Revolution.” – USA Today, \*\*\* 1/2 “Funny and unexpectedly moving . . . a powerful reminder that true fulfillment can come from wielding even the smallest bit of influence on behalf of those who have none.” – Washington Monthly “A fast, funny ride through the halls of power.” – Kirkus “Veering between tragedy and comedy, between self-doubt and hubris, Litt vividly recreates a period during which he saw his words sometimes become the words of a nation.” – Publishers Weekly “By turns moving and hilarious, David Litt’s rollicking account of his journey from campaign field grunt to presidential speechwriter is an irresistible read.” – David Axelrod, former Senior Advisor to Barack Obama and author of Believer: My Forty Years in Politics “David Litt has done the impossible: written a smart, insightful, and funny White House memoir you don’t have to be a political junkie to love. Even better, he takes us back to a saner more compassionate time when our president liked to read.” – Judd Apatow “Terrific—part first-hand story about being inspired by a cultural icon, part how-to manual for getting involved in politics and making change. Thanks, Obama is a hysterical, pithy, and heartfelt trip down memory lane. And boy, do we need it.” – Keegan-Michael Key “David Litt is brilliant. I’ve gotten to witness firsthand some of the work he did for President Obama at past White House Correspondents Dinners and it’s always intelligent, razor sharp and hilarious.” – Billy Eichner “An outstanding, hilarious, and precise memoir . . . I laughed again and again. This is an excellent account of what it felt like to work for the Second to Last President of The United States.” – John Mulaney, co-creator and star of Oh, Hello “Don’t be fooled by the self-deprecating narrator, this portrait of a young speechwriter is filled with wit, wisdom, and a loving touch. David’s labors remind of us a not-so-distant past when words mattered. If I was a simpleton and a book critic, I’d say thumbs up.” – Matt Walsh, HBO’s Veep “David Litt is a natural storyteller and an absolute joy.” – Tig Notaro, author of I’m Just a Person “Thanks, Obama is a wonderful book for the same reasons David Litt’s speeches for the White House were wonderful: it’s well-written, it’s funny, it tells us exactly what we’re curious about, and. . . it reminds us that a great president galvanizes not only his staff but his country.” – Anne Fadiman, author of Ex Libris “Funny and warm, David Litt knows how to make people laugh regardless of their political affiliation.” – Mike Birbiglia, author of Sleepwalk With Me: And Other Painfully True Stories “A magnificent memoir on the Obama presidency. You’ll walk away with another kind of hope that’s needed now more than ever: the belief that a

government can actually do some good.” – Adam Grant, author of *Originals* and coauthor of *Option B* “A talented (and very funny) speechwriter, David will make you laugh. He’ll make you miss Obama more than you do already. Most of all, he’ll renew your faith in the politics of hope.” – Stephanie Cutter, former deputy campaign manager for Barack Obama
