Oliver the Ornament ,2015-05-09 Oliver the Ornament is a heartwarming tale of one family's cherished Christmas ornaments. The story centers on Oliver, who has been with this family ever since Mom and Dad's very first date. Years later, Oliver, now injured and bullied, still has the magic of Christmas in his heart. The story follows Oliver's excitement for Christmas, his heartbreak, and his determination to overcome all odds to save the day. Oliver, along with his scores of friends, will warm your heart with his kindness, humility, and love for his family. We hope the story will bring families together to tell the stories of their own ornaments and the special meaning that so many of them possess. Because after all, every ornament tells a story.
