*The Happiest Baby on the Block* Harvey Karp, M.D., 2008-11-19 Perfect for expecting parents who want to provide a soothing home for the newest member of their family, *The Happiest Baby on the Block*, the national bestseller by respected pediatrician and child development expert Dr. Harvey Karp, is a revolutionary method for calming a crying infant and promoting healthy sleep from day one. In perhaps the most important parenting book of the decade, Dr. Harvey Karp reveals an extraordinary treasure sought by parents for centuries --an automatic "off-switch" for their baby's crying. No wonder pediatricians across the country are praising him and thousands of Los Angeles parents, from working moms to superstars like Madonna and Pierce Brosnan, have turned to him to learn the secrets for making babies happy. Never again will parents have to stand by helpless and frazzled while their poor baby cries and cries. Dr. Karp has found there IS a remedy for colic. "I share with parents techniques known only to the most gifted baby soothers throughout history ...and I explain exactly how they work." In a innovative and thought-provoking reevaluation of early infancy, Dr. Karp blends modern science and ancient

wisdom to prove that newborns are not fully ready for the world when they are born. Through his research and experience, he has developed four basic principles that are crucial for understanding babies as well as improving their sleep and soothing their senses:

- The Missing Fourth Trimester: as odd as it may sound, one of the main reasons babies cry is because they are born three months too soon.
- The Calming Reflex: the automatic reset switch to stop crying of any baby in the first few months of life.
- The 5 “S’s”: the simple steps (swaddling, side/stomach position, shushing, swinging and sucking) that trigger the calming reflex. For centuries, parents have tried these methods only to fail because, as with a knee reflex, the calming reflex only works when it is triggered in precisely the right way. Unlike other books that merely list these techniques Dr. Karp teaches parents exactly how to do them, to guide cranky infants to calm and easy babies to serenity in minutes...and help them sleep longer too.
- The Cuddle Cure: the perfect mix the 5 “S’s” that can soothe even the most colicky of infants. In the book, Dr. Karp also explains: What is colic? Why do most babies get much more upset in the evening? How can a parent calm a baby--in mere minutes? Can babies be spoiled? When should a parent of a crying baby call the doctor? How can a parent get their baby to sleep a few hours longer? Even the most loving moms and dads sometimes feel pushed to the breaking point by their infant’s persistent cries. Coming to the rescue, however, Dr. Karp places in the hands of parents, grandparents, and all childcare givers the tools they need to be

able to calm their babies almost as easily as...turning off a light. From the Hardcover edition.

**Born a Crime** Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he

struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

**River of the Gods** Candice Millard, 2022-05-17 NEW YORK TIMES BESTSELLER • The harrowing story of one of the great feats of exploration of all time and its complicated legacy—from the New York Times bestselling author of *The River of Doubt* and *Destiny of the Republic* A BEST BOOK OF THE YEAR: THE WASHINGTON POST • GOODREADS A lean, fast-paced account of the almost absurdly dangerous quest by [Richard Burton and John Speke] to solve the geographic riddle of their era. —The New York Times Book Review For millennia the location of the Nile River’s headwaters was shrouded in mystery. In the 19th century, there was a frenzy of interest in ancient Egypt. At the same time, European powers sent off waves of explorations intended to map the unknown corners of the globe – and extend their colonial empires. Richard Burton and John Hanning Speke were sent by the Royal Geographical Society to claim the prize for England. Burton spoke twenty-nine languages, and was a decorated soldier. He was also mercurial, subtle, and an iconoclastic atheist. Speke was a young aristocrat and Army officer determined to make his mark, passionate about hunting, Burton’s opposite in temperament and beliefs. From the start the two men clashed. They would endure tremendous hardships, illness, and constant setbacks. Two years in, deep in the African interior, Burton became too sick to press on, but Speke did, and claimed he found the source in a great lake that he christened Lake Victoria. When they returned

to England, Speke rushed to take credit, disparaging Burton. Burton disputed his claim, and Speke launched another expedition to Africa to prove it. The two became venomous enemies, with the public siding with the more charismatic Burton, to Speke's great envy. The day before they were to publicly debate, Speke shot himself. Yet there was a third man on both expeditions, his name obscured by imperial annals, whose exploits were even more extraordinary. This was Sidi Mubarak Bombay, who was enslaved and shipped from his home village in East Africa to India. When the man who purchased him died, he made his way into the local Sultan's army, and eventually traveled back to Africa, where he used his resourcefulness, linguistic prowess and raw courage to forge a living as a guide. Without Bombay and men like him, who led, carried, and protected the expedition, neither Englishman would have come close to the headwaters of the Nile, or perhaps even survived. In *River of the Gods* Candice Millard has written another peerless story of courage and adventure, set against the backdrop of the race to exploit Africa by the colonial powers.
