*Digital Culture & Society (DCS)* Ramón Reichert, Annika Richterich, Pablo Abend, Mathias Fuchs, Karin Wenz, 2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

**Photoshop CC Essentials for Photographers: Chelsea & Tony Northrup's Video Book** Tony Northrup, Chelsea Northrup, 2016-09 This video book will quickly teach you what every photographer needs to know about Photoshop CC, including: \* Removing blemishes and distractions \* Creating amazing, natural-looking portraits \* Changing the color of clothing and hair \* Changing the shape of bodies and objects \* Using layers, adjustment layers, and masks \* Replacing skies and backgrounds \* Straightening lines and buildings \* Compositing multiple images together \* Changing facial expressions and poses \* Creating complex selections and masks \* Creating panoramas \* Creating actions to automate tasks \* Choosing the best image formats \* Customizing and configuring Photoshop CC Tony & Chelsea go beyond teaching you how to use Photoshop; they teach you why and when to use each feature to create stunning, natural images. When Photoshop isn't the best tool, they suggest other alternatives. Combining the benefits of video training and book learning, this video book gives you over 10 hours of video and dozens of images to practice with. If you learn better with video, watch the video training and refer to the book for quick reference. For best results, walk through each procedure in the book using the provided sample images. Then, watch the videos to learn more advanced and artistic techniques. If you still have questions, or want peer review, join our Photoshop group on Facebook and get feedback from other Photoshop users. Tony and Chelsea cover every aspect of Photoshop in-depth, but structure their teaching so that both beginner and advanced photographers can learn as efficiently as possible. If you just want a quick start, you can watch the first video or read the first chapter and you'll know the basics of photo editing in less than an hour. If you want to know more about a specific feature, switch to that video or jump to that chapter in the ebook. If you want to know everything about Photoshop, watch the videos and read the book from start to finish.

Pop Culture in Europe Juliana Tzvetkova, 2017-10-12 A fascinating survey of popular culture in Europe, from Celtic punk and British TV shows to Spanish fashion and Italian sports. From One Direction and Adele to Penelope Cruz and Alexander Skarsgard, many Europeans are becoming household names in the United States. This ready-reference guide covers international pop culture spanning music, literature, movies, television and radio, the Internet, sports, video games, and fashion, from the mid-20th century through the present day. The organization of the book—with entries arranged alphabetically within thematic chapters—allows readers to quickly

find the topic they are seeking. Additionally, indexing allows for cross-cultural comparisons to be made between pop culture in Europe to that of the United States. An extensive chronology and lengthy introduction provide important contextual information, such as the United States' influence on movies, music, and the Internet; the effect of censorship on Internet and social media use; and the history of pop culture over the years. Topics feature key musicians, songs, books, actors and actresses, movies and television shows, popular websites, top athletes, games, clothing fads and designers, and much more.

Wilsher,Mark Ritson,Markus Fuchshofen,Mel Edwards,Mike Cooper,Nicola Mendelsohn,Roberto Khoury,Sandra McDill,Sylvia Mulinge,Yuri Ivanov,2020-09-16 Facebook's EMEA Client Council is made up of leaders from some of the most influential brands and agencies across Europe, the Middle East and Africa. The goal of the council has been to create a forum where the best minds in business can come together to share ideas and develop best practices. Build Brilliant Brands is the first attempt to capture their ideas, insights and opinions. It features 22 essays – 18 penned by council members, four by guest contributors – split across three distinct chapters: what hasn't changed in marketing, what's changing, and what needs to change. And though the essays cover a wide range of topics, each is designed to inspire and inform those who are in the business of building brilliant brands.

The Friends and Family Collection Merri Maywether, Let The Games Begin James has one weekend to prove that Marianna belongs with him. Marianna thinks the perfect opportunity for change has presented itself when her rich aunt invites the family to play a game. James knows his wife is unhappy. He sees the family competition as the perfect way to connect and have some fun. Neither expected the game would open doors to reveal family skeletons that have the power to sabotage more than a marriage. Can James win the game and win the wife, or will the damage caused by his efforts push her further away? The Chance to Win Her Heart Jorgen is her older brother's best friend. Eric is her childhood nemesis. Gina gets caught in a trap that breaks her heart and has the potential to ruin her reputation. After a series of failed relationships, Eric Sandberg heeds his parents' advice to court a woman who is set to inherit more than him, Gina Davidson. Her father agrees with the pairing, so it should be an easy match. Except Eric didn't take into consideration that she'd remember how poorly he treated her when they were growing up. Nor did he expect Jorgen Backman's attempts to keep her for his own. Gina's father has made it clear. Marriage is in her future. He doesn't want his daughter to be alone when he moves on. When all the cards are on the table who will she give the chance to win her heart? The Missing Piece Of My Puzzle The first to have a baby and the only one of her friends who isn't married, Amanda Darling wants her happily ever after too. One by one, Amanda helped her friends navigate the waters of love to find the man meant to be their husband. Determined to have a happy ending of her own, she issues her long-term boyfriend what she thinks is an irresistible ultimatum: either they get married, or they break up. To her surprise, he walked out the door, leaving Amanda alone to pick up the pieces of her life. As she contends with the life of a single mother, Amanda reconsiders her definition of happily ever after. One that involves forging new friendships, chasing after her dreams, and closing doors to the past. Faced with the possibility of losing Amanda to the life she's building without them, Rick, along with her friends and family, find themselves working together to mend bridges. Can they convince her that being with them is the missing piece of the puzzle in her life, or will she go on to build another one on her own?
