The Mind Share Market Nicolas Pujol,2011-03-08 The definitive reference on free vs. paid business models. Marketing has been practiced for centuries around one central tenet: creating an effective message to potential customers so as to generate sales and profits. In recent decades, marketers added value to advertising and created so-called free products. The Mind Share Market uncovers this hidden customer segment that can make or break a business. Through the story of Maria Ezrati, CEO of Etymologic Corporation and over 15 real world examples, executives and managers in all industries will find a philosophical and practical blueprint to understand the dynamics of a zero price.
