*Drag Queens at the 801 Cabaret* Leila J. Rupp, Verta Taylor, 2015-10-02 It's Saturday night in Key West and the Girlie Show is about to begin at the 801 Cabaret. The girls have been outside on the sidewalk all evening, seducing passersby into coming in for the show. The club itself is packed tonight and smoke has filled the room. When the lights finally go down, statuesque blonds and stunning brunettes sporting black leather miniskirts, stiletto heels, and see-through lingerie take the stage. En Vogue's Free Your Mind blares on the house stereo. The crowd roars in approval. In this lively book, Leila J. Rupp and Verta Taylor take us on an entertaining tour through one of America's most overlooked subcultures: the world of the drag queen. They offer a

penetrating glimpse into the lives of the 801 Girls, the troupe of queens who perform nightly at the 801 Cabaret for tourists and locals. Weaving together their fascinating life stories, their lavish costumes and eclectic music, their flamboyance and bitchiness, and their bawdy exchanges with one another and their audiences, the authors explore how drag queens smash the boundaries between gay and straight, man and woman, to make people think more deeply and realistically about sex and gender in America today. They also consider how the queens create a space that encourages camaraderie and acceptance among everyday people, no matter what their sexual preferences might be. Based on countless interviews with more than a dozen drag queens, more than three years of attendance at their outrageous performances, and even the authors' participation in the shows themselves, *Drag Queens at the 801 Cabaret* is a witty and poignant portrait of gay life and culture. When they said life is a cabaret, they clearly meant the 801.

**Military Housing** Government Accountability Office, 2017-08-17 the Military Construction Authorization Act, 1984, Congress authorized the Section 801 housing program, which provided a means for improving and expanding military family housing through private developers' investment. Under this authority, the Department of Defense (DOD) awarded eight contracts for the construction of on-base housing that typically consisted of two phases: the in-lease (DOD leases all of the units from developers for up to 20 years whether housing is occupied or not) and the out-lease (under some contracts, developers may rent housing to the general public while leasing the land from DOD for up to 30 more years). Based on a mandate in the National Defense Authorization Act for Fiscal Year 2010 conference report, GAO's objectives were to assess (1) the status of contracts for on-base Section 801 military housing, (2) the estimated costs to DOD and local communities that would result from the general public occupying this housing, and (3) the extent to which DOD and the services share information on modifications to the contracts and

community interaction experiences. GAO visited five installations with on-base Section 801 housing, analyzed housing contracts, and interviewed relevant officials. GAO recommends that DOD develop...

The endless roll calls in wind and hail; the dawn departure of those condemned to death... the interminable, burdensome hours that weighed upon us like a ball and chain. We were crushed by the weight of our human condition. Pastor Bonifas' answer to the absence of God from the camps is Jesus' love for humanity-- but he warns that despite the Christian promise, the danger of totalitarianism is ever-present. Aimé Bonifas was awarded the prestigious Otto Nuschke Prize in March 1987 in Berlin for his promotion of peace and understanding among nations.
