A college research project at the edge

of the Arctic is her chance for a new beginning. Struggling with PTSD, Penny's therapy includes running, dogs, and guitars. Yet her fresh start is plagued by new premonitions, dark and foreboding, that coincide with a rising number of murders in the community. Her visions are vague, offering little to identify the killer. When confronted with an orphaned polar bear cub, Penny risks everything to save its life. The deepening mystery of the murdered women, coupled with the exhaustive duties of caring for the small cub, draw her closer to her friend, Noah, and further from her sister. Fearful for the serial killer's next target, Penny discovers where her physical abilities can help her. Will letting go of the past lead to healing? And can she stop the murders?

Belabored Lyz Lenz, 2020-08-11 In Belabored, Lyz Lenz will make you cry in one paragraph and snort-laugh in the next (Chloe Angyal, contributing editor at MarieClaire.com). Written with a blend of wit, snark, and raw intimacy, Belabored is an impassioned and irreverent defense of the autonomy, rights, and dignity of pregnant people. Lenz shows how religious, historical, and cultural myths about pregnancy have warped the way we treat pregnant people: when our representatives enact laws criminalizing abortion and miscarriage, when doctors prioritize the health of the fetus over the life of the pregnant patient in front of them, when baristas refuse to serve visibly pregnant women caffeine. She also reflects on her own experiences of carrying her two children and seeing how the sacrifices demanded during pregnancy carry over seamlessly into the cult of motherhood, where women are expected to play the narrowly defined roles of wife and mother rather than be themselves. Belabored is an urgent call for us to trust women and let them choose what happens to their own bodies, from a writer who is on a roll (Bitch Magazine).

Williams, 2010-09-06 A boy walks through a forest full of snakes and wolves and bears, but this boy isn't afraid because he knows they'll stay out of his way. The scary monster in this forest won't stay out of his way, though. He pops out at the boy and growls! But the brave boy just keeps walking along because he doesn't believe in monsters. This sets the monster to begging and begging for the boy to believe in him, even just a smidge. Will the boy ever agree? This unusual monster story, with thrills and fangs and growls, shows that a little confidence and a lot of courage can shrink fears to a size that might even be a little cuddly.

*The Haunting of Sunshine Girl* Paige McKenzie, Alyssa Sheinmel, 2015-03-26 The Haunting of Sunshine Girl is the first in a frighteningly good new series based on the popular YouTube sensation The Haunting of Sunshine Girl Network, created by Paige McKenzie. In that place where you're more asleep than awake any more, I hear something else. A phrase uttered in a child's voice, no more than a whisper: Night Night. Something freaky's going on with Sunshine's new house . . . there's the chill that wraps itself around her bones, the giggling she can hear in the dead of night, and then the strange shadows that lurk in her photographs. But the more weird stuff that happens, the less her mum believes her. Sunshine's always had a quirky affiliation with the past, but this time, history is getting much too close for comfort . . . If there is something, or someone, haunting her house, what do they want? And what will they do if Sunshine can't help them? As things become more frightening and dangerous, and the giggles she hears turn to sobs and screams, Sunshine has no choice but to accept what she is, face the test before her and save her mother from a fate worse than death.
