*Free to Make* Dale Dougherty,2016-09-27 A fascinating study of the global Maker Movement that explores how ‘making’ impacts our personal and social development—perfect for enthusiastic DIY-ers Dale Dougherty, creator of MAKE: magazine and the Maker Faire, provides a guided tour of the international phenomenon known as the Maker Movement, a social revolution that is changing what gets made, how it’s made, where it’s made, and who makes it. Free to Make is a call to join what Dougherty calls the “renaissance of making,” an invitation to see ourselves as creators and shapers of the world around us. As the internet thrives and world-changing technologies—like 3D printers and tiny microcontrollers—become increasingly affordable, people around the world are moving away from the passivity of one-size-fits-all consumption and command-and-control models of education and business. Free to Make explores how making revives abandoned and neglected urban areas, reinvigorates community spaces like libraries and museums, and even impacts our personal and social development—fostering a mindset that is engaged, playful, and resourceful. Free to Make asks us to imagine a world where making is an everyday occurrence in our schools, workplaces, and local communities, grounding us in the physical world and empowering us to solve the challenges we face.

**Encounter with the Creator** Gayle Allen Goree,2004-02 One day, as you're traveling down your life's road, you'll encounter your Creator. Chances are, you have already encountered Him, possibly many times, but did not realize it. Or maybe you did realize it and chose to turn the other way. But this time, He will get your attention. You will hear Him calling you. You will feel the cry of your soul in response. And you will recognize the pull of God-consciousness on your self-consciousness. What do you do? Since everybody is different, your encounter with the Creator will be orchestrated especially for you. But at the same time, everybody's life experiences will follow the same model. Encounter proposes that how you interpret your experiences in life determines to a large degree whether or not you will see God's model of the perfected man in yourself. Once you meet Him, God is easy to fall in love with. The hard part is being remade in His likeness. Encounter describes this make-over, this transformation process, so you will be able to follow it in your own life. The author suggests new ways of considering and understanding past and current events, and explains the forces at work and play within the human psyche. To help you through this trying and sometimes painful process, the Creator has given you a two-edged Sword of Forgiveness and Faith to release you from guilt and fear, Gloves of Compassion and Gratitude to resolve painful memories, and a Plow of Wisdom and Discernment to uproot misconceptions and allow the seed of truth to take hold in your heart and mind. Encounter describes the function of each in detail and provides easy-to-follow instructions for their use. The Creator is the guiding force behind the

transformation process. He created Universal Law to guide you and Divine Love to empower you. Your part is to love Him with all your heart and walk in His way. This means gradually relinquishing your Free Will and surrendering to God's Will... not an easy task for the only creature on Earth with the power to say No to God! Indeed, free will is powerful, but, as argued in Encounter, free will is not free: we pay dearly for it. Encounter introduces man's Lower Self and Higher Self, describes the beauty of Universal Law, talk's about man's God qualities, his childlike nature, his innocence, and his reason for being here. The book states that we can all have a one-on-one relationship with our Father God and reveals how you should react when you encounter your Creator. Expect some surprises along the way.

We, in this temporary life, have assignments to meet the needs of others and lead them to a forgiving Savior. God doesn't need your abilities; He is all-powerful. Follow with me through the events in my life where God uses an ordinary person in extraordinary situations to bring joy, salvation, warning, and hope to many. We are on divine assignments every day.
