The CD contains the art files, text files, fonts, and training materials needed to complete the tutorial lessons.

E-Business Essentials Nick Bontis,2004-09-01 This special issue of QJEC marks the final instalment of the journal. The QJEC has had a long-standing history of international scholarship focused on the emerging field of electronic commerce with a broad, interdisciplinary approach. It has established the field's intellectual foundation with state-of-the-art research from business, computer science, engineering, law, psychology, and sociology. This particular issue focuses on an eclectic group of papers that are international in scope with authors from Canada, Australia, France, Germany, South Africa and Italy. The papers range in topics from valuing dot com companies, to mobile health and portals, to supply chain management.

Work + Life Cali Williams Yost,2004-12-28 The empowering new 3-step guide to combining work and life strategically, creatively, and successfully. The message is simple: Work doesn't have to be all or

nothing. There are countless combinations of balancing work and life between these extremes. People can establish boundaries and change the way work fits into their lives, in a way that's good for employees and employers. Work+Life provides the tools to adjust the work portion of life in order to have more time and/or energy for personal responsibilities and interests. Even a small change can make a big difference. Industry expert Cali Yost has been working with people on all sides of the issue: employees and managers at companies such as General Electric/NBC, Ortho-McNeil Pharmaceuticals, and Ernst & Young, and EAPs nationwide that help companies help their employees. They all say the same thing--Work+Life is the missing piece of the puzzle, providing readers with invaluable work life balance tips and putting them on the cutting edge of the workplace revolution.

Audio Mixing Boot Camp Bobby Owsinski, 2012-09 If you're creating your first mix and don't know where to begin, or your mixes aren't as good as you'd like them to be, Audio Mixing Boot Camp is here to help. Built around a series of hands-on mixing exercises designed to show you how to listen and work like a pro, best-selling author Bobby Owsinski reveals the tips, tricks, and secrets to all the different facets of mixing, including instrument and vocal balance, panning, compression, EQ, reverb, delay, and making your mix as interesting as possible. You'll cut years off the time usually needed to become proficient in the art of mixing with this book, which is specifically designed to accelerate learning. See how the pros handle the critical balance between the bass and drums. Learn where, when, why, and how EQ should be used on virtually any instrument. Become proficient at using effects in just the right way for each particular

mixing situation. And master the key to fat and punchy sounding mixes: compression. Audio Mixing Boot Camp also features an accompanying DVD-ROM filled with lessons, templates, and examples specifically developed to take your mixing chops to the next level.

Medical Information on the Internet Robert Kiley, 1996 This text concentrates on providing practical illustrations of how the Internet can be of use to health professionals in their day-to-day work. The book is complemented by a series of World Wide Web pages, through which readers can link to the key medical resources, and an e-mail address for the author. The CD-ROM contains the entire searchable text, plus the illustrations in colour. Through the CD, readers can gain direct access to all Internet sites mentioned in the book. The author's top 10 medical resources on the Internet are also accessible on <http://www.churhillmed.com> - Churchill Livingstone's home page
