**Dynamic Curriculum Development and Design Strategies for Effective Online Learning in Higher Education** Walters, Kelley,2023-09-28 Online learning has gained popularity as a preferred option for higher education institutions globally, particularly due to the COVID-19 pandemic. This has created a need for educators and practitioners to understand the strategies and techniques required for designing and delivering effective online courses that can engage students and provide them with the necessary skills and knowledge for success. The book **Dynamic Curriculum Development and Design Strategies for Effective Online Learning in Higher Education** offers a practical guide and insights into the latest trends and best practices for curriculum development and design in the context of online learning. Organized into three main sections, the book begins with an overview of the current landscape of online learning and the challenges and opportunities it presents for curriculum development. It then delves into the design and development of online courses, followed by the implementation and delivery of those courses. The book is relevant to both novice and experienced educators and practitioners who are involved in designing, developing, and delivering online courses in higher education. It provides a comprehensive understanding of the strategies and techniques required to design and deliver effective online courses, while examining the challenges and opportunities presented by online learning in higher education. As such, this book is an essential resource for anyone involved in online learning in higher education who seeks to develop and deliver dynamic and engaging courses that cater to the needs of online learners.

**Android Tips and Tricks** Guy Hart-Davis, 2014-12-15 Covers All Android™ Smartphones and Tablets Running Android 4.4 (KitKat®) or 4.3 (Jelly Bean) Unlock the Power of Your Android™ Smartphone or Tablet Discover hundreds of tips and tricks you can use right away with your Android device to get more done, and have more fun. You'll learn how to use your Android smartphone or tablet as a powerful communication, organization, and productivity tool as well as a feature-packed entertainment device. You will dig deep into the settings and capabilities of both Android itself and the preinstalled apps, developing the knowledge and skills to exploit them to the fullest. Easy to understand and non-technical, Android Tips and Tricks is perfect for beginners—and for more experienced users ready to get more productive or move to newer devices. It covers all new and recent Android smartphones and tablets running Android 4.4 (KitKat®) or 4.3 (Jelly Bean)—with bonus coverage of today's top Android “skins”: Samsung TouchWiz and HTC Sense. Here's just a sampling of what this book's tips, tricks, and strategies will help you do: • Connect to wireless and cellular networks, keyboards and Bluetooth devices, and even VPNs • Transform your device into a portable Wi-Fi hotspot, and share Internet connections via USB or Bluetooth • Secure Android with screen and SIM locks, location settings, and encryption • Sideload apps from any source and keep bad apps from loading • Take Gmail to pro level with signatures, vacation responders, labels, archiving, advanced search, and secure two-step verification • Manage multiple email accounts together: POP, IMAP, web mail, and Exchange • Get more out of your Google Chrome browser, and share bookmarks across all your devices • Chat via text, audio, or video on Google Hangouts—and customize it to work just the way you want • Enjoy your music everywhere, whether it's stored

locally or in the cloud • Easily capture, edit, and share top-quality photos and videos • Transform your smartphone or tablet into a total social networking hub • Squeeze more battery life from any Android device Guy Hart-Davis is the co-author of My Samsung Galaxy Note 3 and My HTC One, and the author or lead author of nearly 100 computer books.

*Finding Your Voice in Radio, Audio, and Podcast Production* Rob Quicke, 2023-12-19 This book provides a unique identity-centered approach to radio, audio, and podcast production which encourages readers to build their confidence and create audio content that matters to them. Written for those just starting out in audio production and focusing on the process of their self-development, readers will learn how to use sound to express themselves in a variety of ways and to create powerful stories in the process – all with the tools already available to them. At the centre of this approach is the author’s R.E.A.L. method, referring to the creation of audio that is relatable, engaging, authentic, and liberating. Students will learn to apply this concept to each step of the production process, from planning and writing through to interviewing, broadcasting, and responding to feedback. By the end of this book readers will have developed a working knowledge of podcast, audio, and radio production alongside their own means of self-expression. Supported by exercises and interviews with audio practitioners throughout, *Finding Your Voice in Radio, Audio, and Podcast Production* is a key resource for anyone approaching radio, audio, or podcasting for the first time. A supporting companion website with Instructor and Student Resources is available at [www.robquicke.com](http://www.robquicke.com).
