Inside Voices Sarah Davis, 2020-05-21 The mind is a strange beast...extraordinary, unpredictable, protective. Penny Osborn's mind is no exception. In High School, Penny witnessed a massacre and lost her father to the same killers. She had seen it unfold before it happened, in a premonition, but could not prevent it. A college research project at the edge of the Arctic is her chance for a new beginning. Struggling with PTSD, Penny's therapy includes running, dogs, and guitars. Yet her fresh start is plagued by new premonitions, dark and foreboding, that coincide with a rising number of murders in the community. Her visions are vague, offering little to identify the killer. When confronted with an orphaned polar bear cub, Penny risks everything to save its life. The deepening mystery of the murdered women, coupled with the exhaustive duties of caring for the small cub, draw her closer to her friend, Noah, and further from her sister. Fearful for the serial killer's next target, Penny discovers where her physical abilities can help her. Will letting go of the past lead to healing? And can she stop the murders?

Williams, 2010-09-06 A boy walks through a forest full of snakes and wolves and bears, but this boy isn't afraid because he knows they'll stay out of his way. The scary monster in this forest won't stay out of his way, though. He pops out at the boy and growls! But the brave boy just keeps walking along because he doesn't believe in monsters. This sets the monster to begging and begging for the boy to believe in him, even just a smidge. Will the boy ever agree? This unusual monster story, with thrills and fangs and growls, shows that a little confidence and a lot of courage can shrink fears to a size that might even be a little cuddly.

The Knight of Pages Alexie Aaron,2021-03-07 Alexie Aaron has given us a motley crew of ghost hunters and a wide cast of

supernatural beings fighting the good fight against evil in her popular thirty-two book Haunted Series and its companion series Cid Garrett P.I.. This time she has tackled a love story set in an enchanted bookshop. Chicago's enchanted secondhand bookshop owner Nash Greene has been given a second chance at life. He never imagined that he'd also be given a second chance on love with Chef Clara Tyler. Their leap from friendship to lovers was magical enough without the interference of the books on the second floor. Each move the couple makes seems to be punctuated in the pages of the well-loved novels of the last few centuries. Books are powerful things. They can bring on emotions and encourage the timid heart to accept love. Some books are written to take the reader into a world that only the brave dare to tread. Unfortunately, there are books that are created not to entertain, amuse, or nurture. These are life-snatching books. One is taking out the members of Wendell Baumbach's evening book club at an alarming rate. Within the city is a society called the Order of Scrolls created after the great fire in Alexandria to save books for humanity but, when called upon, will act to save humanity from books. The Order of Scrolls summons their knights to fight to save Chicago from a very dangerous book. Join Nash, Clara, and the secret Order of Scrolls in their quest to find the life-snatching book and destroy it before it destroys them.

Ad Nauseam Michael Gingold, 2018 As featured in Entertainment Weekly, The New York Times, The Wall Street Journal, Fangoria, and more! Growing up in the 1980s, Michael Gingold became obsessed with horror movies, and his love of the genre led him to become a Fangoria writer and editor for nearly 30 years, as well as a Rue Morgue contributor. But before all that, he took his scissors to local newspapers, collecting countless ads for horror movies, big and small. Ad Nauseam: Newsprint Nightmares from the 1980s is a year-by-year deep dive into the Gingold archive, with more than 450 ads! Within these pages you'll see rare alternate art for Gremlins, Child's Play, The Blob remake, and the Friday the 13th and A Nightmare on Elm Street franchises. You'll also revel in oddities including Psycho from Texas, Dracula Blows His Cool, Blood Hook, Zombie Island Massacre, and many more. Gingold provides personal recollections and

commentary, and unearths vintage reviews to reveal what critics of the time were saying about these films. He also interviews the men behind legendary exploitation distributor Aquarius Releasing to learn how they built buzz for shockers like *Make Them Die Slowly* and *Doctor Butcher M.D. Steel yourselves*, genre junkies--Ad Nauseam is an unmatched journey into the wild world of 1980s horror movies!
