Email Marketing Mary R. Butler,2009-05-15 The inherent power of email marketing is the permission the consumer has given you to communicate with them. Commercials are put on mute. Banner ads are closed or ignored. People are somewhat of a captive audience to radio advertising-if they're not listening to downloaded MP3s and podcasts. The world is tired of commercials-unless they invite them. Yet e-mail marketing allows the entrepreneur to do so much more than give a commercial. In fact you, the marketer, can't afford to do anything of the sort if you want to maintain a list and actually sell from it. You have to understand that you are essentially opening a dialogue with your consumer. They are giving you the opportunity to let them get to know you, not just your product. I.
