de Gournay Claud Cecil Gurney, 2020-10-06 Renowned for its elegant hand-painted wallpapers and textiles, de Gournay creates some of the most beautiful interiors in the world. Celebrated for its hand-painted chinoiserie wallpapers, sumptuous patterns of colorful flora and varied birdlife, the company produces additional collections that explore historical themes, such as nineteenth-century French pastoral scenes or exotic Brazilian landscapes bursting with wildlife. De Gournay also crafts more abstracted designs that fit well with modern interiors. Collaborating with renowned tastemakers from across creative industries, de Gournay works with leading interior designers as well as noted trendsetters such as Kate Moss. This volume showcases de Gournay designs in situ, in beautiful interiors created by top designers in homes from San Francisco and New York to London, Paris, and beyond. The book explores de Gournay interiors in both city and country settings, how to take inspiration from English stately homes, and how custom wallpaper designs are created. Full of inspiring interiors and design ideas, de Gournay is an in-depth look at the stunning creations of one of the most prestigious and influential design houses of today.
