The hard-won wisdom, creative problem-solving techniques, and culinary imagination she brings to the task have been chronicled lovingly in her widely read blog Good Cheap Eats. Now, with the publication of the book Good Cheap Eats, she shows budget-challenged, or simply penny-pinching, home cooks how they can save loads of money on food and still eat smashingly well.

Traditional Irish Cooking Andy Gravette,Debbie Cook,2022-07-01 Traditional Irish Cooking is not just an ordinary book of recipes, but also gives an insight into the Irish way of life. Containing around 100 recipes and 21 sauce recipes, it includes both traditional and classic dishes, as well as several 'nouvelle Irish cuisine' recipes, endeavoring to combine the best of local ingredients in a more exotic and imaginative manner than that of classic country cuisine. Each of these recipes is accompanied by an anecdote to give the reader a flavor of Irish life: vivid descriptions of unfamiliar ingredients; quotes on food; restaurant and pub descriptions; local points of interest connected with food; short literary extracts; potted biographies of well-known Irish characters; and details on stout, porter, ale cider and

whiskey. This incredibly comprehensive and informative book will appeal to every reader, from the vegetarian to the most avid carnivore, and from the casual snack-maker to the professional chef, with most being quick, easy and simple to prepare, and each recipe having a step-by-step guide to preparation.

The decor, the clothes, and of course, the food. Celebrations of St. Patrick's Day take place all around the world on March 17th and the fun and feasting naturally centers around delicious Irish food-and not just the ubiquitous corned beef and cabbage. Most of these meals are as healthy as they are festive, and that's what we call a win-win. From appetizers and snacks to lucky main meals, any of these green dishes will be perfect for the occasion. Whether you're feeding a crowd at your St. Patty's Day party or you just want to cook a festive meal for the fam, there's nothing that will get your crew in the spirit like having a bite of this magical color. Sure guacamole isn't a traditional Irish dish, but if you wash it down with a pint of Guinness we're sure no one will complain. Just don't forget about the desserts!
