Lola Levine Is Not Mean! Monica Brown,2015-11-03 Lola Levine likes writing in her diario, sipping her mom's cafe con leche, eating her dad's matzo ball soup, and playing soccer with her team, the Orange Smoothies. So what if she doesn't always fit in? Lola is fierce on the field, but when a soccer game during recess gets too competitive, she accidentally hurts her classmate Juan Gomez. Now everyone is calling her Mean Lola Levine! Lola feels terrible, but with the help of her family, her super best friend, Josh Blot, and a little pencil power, she just might be able to turn it all around. In this first book in a series, young readers will be inspired by Lola's big heart and creative spirit as she learns to navigate the second grade in true Lola style!

**My Little Book of Big Freedoms** ,2017-10-31 A classic picture book edition of My Little Book of Big Freedoms illustrated by award-winning illustrator Chris Riddell, published in partnership with Amnesty International. We all want a good life, to have fun, to be safe, happy, and fulfilled. For this to happen, we need to look after each other and stand up for the basic human rights that we often take for granted. This book features 16 different freedoms, each accompanied by beautiful illustrations. It shows why our human rights are so important--they help to keep us safe. Every day.

**Multimedia Storytelling for Digital Communicators in a Multiplatform World** Seth Gitner,2015-07-03 Multimedia Storytelling for Digital Communicators in a Multiplatform World is a unique guide for all students who need to master visual communication through multiple media and platforms. Every communication field now requires students to be fluent in visual storytelling skill sets, and as the present-day media adapt to a multiplatform world (with ever-increasing delivery systems from desktops to cell phones), students specializing in different forms of communication are discovering the power of merging new multimedia technology with very old and deep-rooted storytelling concepts. Award-winning journalist and multimedia professor Seth Gitner provides students with the tools for successfully realizing this merger, from understanding conflict, characters, and plot development to conducting successful interviews, editing video in post-production, and even sourcing royalty-free music and sound effects. Incorporating how-to's on everything from website and social media optimization to screenwriting, Multimedia Storytelling aims to be a resource for any student who needs to think and create visually, in fields across broadcast and digital journalism, film, photography, advertising, and public relations. The book also includes a

range of supplemental material, including wide-ranging skills exercises for each chapter, interviews with seasoned professionals, key terms, and review questions.

**Creative Ideas for Alternative Sacramental Worship** Simon Rundell, 2010-07-30  
How can one achieve fresh expressions of church against a backdrop of millennia of church history, liturgy and tradition? Creative Ideas for Alternative Sacramental Worship explores a theology and method of creative, alternative worship which returns to the heart of the encounter with God - through ritual, symbol and in its ultimate expression, in sacramentalism. Created by an active practitioner in this field, Church of England priest and curator of the alternative worship experience Blessed, Simon Rundell provides examples, vision and practical know-how to enable readers to create and engage in alternative worship which is innovative, missionary and creative, using the richness of tradition and the depth of the catholic and orthodox spiritualities. This work provides a DVD of material for the reader to adapt and implement as well as a wealth of ideas for the reader's own expressions of postmodern worship.

**Zombie Scrum Survival Guide** Johannes Schartau, Christiaan Verwijs, Barry Overeem, 2020-11-13  
Escape "Zombie Scrum" and Get Real Value from Agile!  
"Professional Scrum and Zombie Scrum are mortal enemies in eternal combat. If you relax your guard, Zombie Scrum comes back. This guide helps you stay on your guard, providing very practical tips for identifying when you have become a Zombie and how to stop this from happening. A must-have for any Zombie Scrum hunter." --Dave West, CEO, Scrum.org  
"Barry, Christiaan, and Johannes have done a magnificent job of accumulating successful experiences and sharing their inspiring stories in this very practical book. They don't shy away from telling it like it is, which is why their proposals are always as useful as they are grounded in reality." --Henri Lipmanowicz, cofounder, Liberating Structures  
Millions of professionals use Scrum. It is the #1 approach to agile software development in the world. Even so, by some estimates, over 70% of Scrum adoptions fall flat. Developers find themselves using "Zombie Scrum" processes that look like Scrum, but are slow, lifeless, and joyless. Scrum is just not working for them. Zombie Scrum Survival Guide reveals why Scrum runs aground and shows how to supercharge your Scrum outcomes, while having a lot more fun along the way. Humorous, visual, and extremely relatable, it offers practical approaches, exercises, and tools for escaping Zombie Scrum. Even if you are surrounded by skeptics, this book will be the antidote to help you build more of what users need, ship faster, improve more continuously, interact more successfully in any team, and feel a whole lot better about what you are doing. Suddenly, one day soon, you will remember: that is why we adopted Scrum in the first place! Learn how Zombie Scrum infects you, why it spreads, and how to inoculate yourself Get closer to your stakeholders, and wake up to their understanding of value Discover why Zombie teams can't learn, and what to do about it Clear away the specific obstacles to real continuous improvement Make self-managed teams real so people can behave like humans, not Zombies  
Zombie Scrum Survival Guide is for Scrum Masters, Scrum practitioners, Agile coaches and leaders, and everyone who wants to transform the promises of Scrum into reality. Register your book for convenient access to downloads, updates, and/or corrections as they become available. See inside book for details.

*It's a Wonderful Life Study Guide* Alan Vermilye,2019-08-10 The most complete Bible study guide on the Christmas classic, *It's a Wonderful Life*. *It's a Wonderful Life* is one of the most popular and heart-warming films ever made. Its near universal appeal and association with Christmas has provided a rich story of redemption that has inspired generations for decades. *It's a Wonderful Life Study Guide* examines this beloved holiday classic and reminds us how easily we can become distracted from what is truly meaningful in life. This five-week Bible study experience comes complete with discussion questions for each session, Scripture references, detailed character sketches, movie summary, and related commentary. In addition, a complete answer guide and video segments for each session are available for free online. Perfect for Sunday School, small groups, homeschool and Christian schools as well as independent study, *It's a Wonderful Life Study Guide* includes: - Five sessions of weekly study making it perfect for Christmas and Advent Bible study - Complete character sketches and summaries to go deeper - Downloadable and streaming videos for each session available for free online - Bible study questions that are ideal for group discussion - Answer Guide for all questions and Scripture Reference Guide available for free online - Available in print or e-book formats There's no better time than at Christmas to be reminded that every human life has value and that true wealth, spiritual wealth, comes from a right relationship with God and selfless love toward others. Frequently Asked Questions Is watching the movie essential for the study? It's helpful to watch the movie prior to beginning the study. If that's not possible, each session includes the movie script references along with free downloadable videos for each weekly session. What are the video segments and where can I find them? Each video session is approximately 7-10 minutes and includes excerpts from the movie. It's available for free, in both downloadable and streaming options, on the publisher's website. How long is the study? Ideally, the study is completed in five weekly session. Does each person in the study need their own book? Yes. It's most helpful for learning purposes if each person has their own book and works through the study questions prior to each class. However, couples might find it convenient to share a book. Is there study outside of class? It's recommended that each participant answer weekly study questions prior to class which should take no more than 30-45 minutes per week. Can anyone lead the study? Absolutely! The study is created in a discussion format allowing leaders to simply guide participants through each study question at weekly meetings. Can I get access to the answers for each discussion question? Yes. The answers for each discussion question are available for free online! In addition, we provide a Scripture Reference sheet for each Bible passage to save valuable class time. In what formats is the book available? The book is available in both print and e-book formats. However, print is most helpful when writing answers to discussion questions found in the book.

Practical HTML5 Projects Adrian W. West, 2012-07-13 Practical HTML5 Projects is a collection of valuable web techniques that any developer or designer can use. This book is all about saving time. Busy web developers should not have to plow through pages of theory or history only to discover that no practical applications are provided, nor should they have to read a paragraph five times to extract some meaning from it. All of the techniques within this book are explained using fully worked examples that you can immediately apply to your own projects. With each technique the book provides: A practical and useful example (and a screen shot of the end result where applicable). The markup for a fully worked example. A downloadable template to adapt for use in your own websites. With Practical HTML5 Projects, you can dive straight into the book at the required chapter and immediately find answers to your website problems, and find the sample code you can use to get it right. Start creating websites using the practical examples, summaries, and templates. This book includes topics such as rollover navigation menus without scripts, adding audio and video, rounded corners, drop shadows, adding PayPal services, and much more. It also includes sections on troubleshooting and transitioning to HTML5 and CSS3 to help bring your existing content up to

date.

*Using the Schoolwide Enrichment Model With Technology* Angela M. Housand, Brian C. Housand, Joseph S. Renzulli, 2021-10-10 Using the Schoolwide Enrichment Model With Technology is an extension of a talent development model implemented in more than 2,500 schools across the U.S. and widely used internationally. More than 40 years of research and development have documented the effectiveness of the SEM approach to promoting higher level thinking skills and creative productivity. This solution-oriented book, unlike other books focused on using technology in the classroom, recognizes that digital technologies are changing and evolving at lightning speeds. Our effective skills for using technology transcend time by focusing on how to find and use digital resources and tools rather than listing the resources that already exist. Focusing on the skills that support critical thinking and problem solving, decision making, and communication, the authors seamlessly merge technology to launch students toward independent productivity. This accessible and highly practical guide is rich with examples that will change the way you think about education while providing hands-on “how-to” guidance for creating a culture of excellence and innovation in your school and classroom.

**Head First WordPress** Jeff Siarto, 2010-07-16 Whether you’re promoting your business or writing about your travel adventures, Head First WordPress will teach you not only how to make your blog look unique and attention-grabbing, but also how to dig into the more complex features of WordPress 3.0 to make your website work well, too. Mad Magpie Gregg Dreise, 2016-05-01 Age range 3 to 6 Mad Magpie is the third book in this successful series of morality tales from Gregg Dreise. Inspired by wise sayings and the knowledge of his Elders, Mad Magpie tells the story of Guluu, an angry magpie who is being teased by a gang of butcher birds. The more he is teased, the angrier he becomes. When Guluu seeks advice, his Elders tell him to stay calm like the river, ignore the butcher birds and to be strong on the inside. Guluu tries this, but the cheeky birds just laugh at him. One day, when Guluu is at the river looking for worms, the butcher birds arrive and steal his food. He remembers the words of his Elders and he tries again – and this time Guluu has a different outcome. He stands proudly at the riverbank and remembers how he used to sing when he was having a bad day.

Gululu sings so loud he cannot hear the birds laughing at him and they eventually give up and fly away. From that time on, the animals learnt to use music to create a happy mood and they worked together to stop bullying.

*Walking with God Through Pain and Suffering* Timothy Keller, 2015-08-04 The question of why God would allow pain and suffering in the world has vexed believers and nonbelievers forever. In *Walking with God through Pain and Suffering*, Timothy Keller takes on this enduring issue and shows that there is meaning and reason behind pain and suffering, making a forceful and groundbreaking case that this essential part of the human experience can be overcome only by understanding our relationship with God. Using biblical wisdom and personal stories of overcoming adversity, Keller brings a much-needed, fresh viewpoint to this important issue.--Back cover

Wonderstruck Margaret Feinberg, 2012-12-25 Let's be honest: it's far too easy to go through day-to-day life without a sense of the mystery, the marvel, or the awe of God's presence. Have you ever felt your relationship with God isn't as vibrant as you want it to be? Have you ever felt like God seemed far away—even in the midst of devotions, prayer, and church? You're not alone. We Were Created for Wonder You were created and designed to experience wonder. Woven into the fabric of our humanity is an innate ability and desire for the wonder of God. It's felt in the moments when you watch the sun melt behind the horizon, when you reach out to cradle a baby and smell the sweet scent of new life, when you can't help but smile as you witness two wrinkled souls renew their vows to each other. Such moments remind us we were made for something more than deadlines and debt, carpools and coffee breaks. Yet despite such wondrous moments, we can still find ourselves going through the motions of faith. Whether you're: A long time follower of Jesus or still figuring Him out Unemployed, overly-employed, or an entrepreneur A creator, innovator, or conformist Grumpy, ebullient, grey-haired or bed-head An average Joe or have-a-gym-membership-but-never-go A superhero (of any era), supermom, superdad, super grand, super great grand, or don't feel particularly super at all No matter who you are or where you've been—if you've lived a life where you've seen it all, done it all, or feel like you're past it all—God still longs to take your breath away. Isaiah 29:4 records God's desire for you: "Therefore once more I will astound these people with wonder upon wonder." Do you see it? God is busting at the seams

to display His glory, power, and might in your life. And He wants to give you the greatest gift of all—Himself. Yet why do we pass by the wonder of God unaware?
