## **How to Pass OSCP Series: Windows Privilege Escalation**

**Step-By-Step Guide** Alan Wang, 2020-11-13 This book is the first of a series of How To Pass OSCP books and focus on techniques used in Windows Privilege Escalation. This is a step-by-step guide that walks you through the whole process of how to escalate privilege in Windows environment using many common techniques. We start by gathering as much information about the target as possible either manually or using automated scripts. Next, we search for misconfigured services or scheduled tasks, insufficient file permission on binaries or services, vulnerable kernel, vulnerable software running with high privileges, sensitive information stored on local files, credential saved in the memory, registry settings that always elevate privileges before executing a binary, hard-coded credential contained in the application configuration files, and many more. Table of Contents  
Introduction  
Section One: Windows Configuration  
Chapter 1: AlwaysInstallElevated  
Section Two: Domain Controller  
Chapter 2: Zerologon  
Section Three: Windows Service  
Chapter 3: Service - Insecure File Permission  
Chapter 4: Service - Unquoted Path  
Chapter 5: Service - Bin Path  
Chapter 6: Service - Registry  
Chapter 7: Service - DLL Hijacking  
Section Four: Scheduled Tasks  
Chapter 8: Scheduled Tasks  
Section Five: Windows Registry  
Chapter 9: Autorun  
Chapter 10: Startup Applications  
Section Six: Windows Kernel  
Chapter 11: Kernel - EternalBlue  
Chapter 12: Kernel - MS15-051  
Chapter 13: Kernel - MS14-058  
Section Seven: Potato Exploits  
Chapter 14: Juicy Potato  
Chapter 15: Rogue Potato  
Section Eight: Password Mining  
Chapter 16: Password Mining - Memory  
Chapter 17: Password Mining - Registry  
Chapter 18: Password Mining - SiteList  
Chapter 19: Password Mining - Unattended  
Chapter 20: Password Mining - Web.config  
Section Nine: UAC Bypass  
Chapter 21: User Account Control Bypass

*No Exit from Pakistan* Daniel S. Markey,2013-10-07 This book tells the story of the tragic and often tormented relationship between the United States and Pakistan. Pakistan's internal troubles have already threatened U.S. security and international peace, and Pakistan's rapidly growing population, nuclear arsenal, and relationships with China and India will continue to force it upon America's geostrategic map in new and important ways over the coming decades. This book explores the main trends in Pakistani society that will help determine its future; traces the wellsprings of Pakistani anti-American sentiment through the history of U.S.-Pakistan relations from 1947 to 2001; assesses how Washington made and implemented policies regarding Pakistan since the terrorist attacks on the United States on September 11, 2001; and analyzes how regional dynamics, especially the rise of China, will likely shape U.S.-Pakistan relations. It concludes with three options for future U.S. strategy, described as defensive insulation, military-first cooperation, and comprehensive cooperation. The book explains how Washington can prepare for the worst, aim for the best, and avoid past mistakes.

The Poetry of Religious Sorrow in Early Modern England Gary Kuchar,2011-03-03 In early modern England, religious sorrow was seen as a form of spiritual dialogue between the soul and God, expressing how divine grace operates at the level of human emotion. Through close readings of both Protestant and Catholic poetry, Kuchar explains how the discourses of 'devout melancholy' helped generate some of the most engaging religious verse of the period. From Robert Southwell to John Milton, from Aemilia Lanyer to John Donne, the language of 'holy mourning' informed how poets represented the most intimate and enigmatic aspects of faith as lived experience. In turn, 'holy mourning' served as a way of registering some of the most pressing

theological issues of the day. By tracing poetic representations of religious sorrow from Crashaw's devotional verse to Shakespeare's weeping kings, Kuchar expands our understanding of the interconnections between poetry, theology and emotion in post-Reformation England.

How to Do Space Age Work with a Stone Age Brain Eve Abbott, 2004 Entrepreneurs and small business owners will discover new ways to deal with the toughest challenges in today's fast-paced business world in this book. Quickly learn proven brain-based tips so you can organize your office, email, paper, computer and time to increase your productivity, results and profits. Save time, make more money and reduce your stress. Whether you work in or outside your home, Eve Abbott, the Organizer Extraordinaire, brings you keys to escape email overload, paper piles and endless multi-tasks. Let Eve show you How to Do Space Age Work with a Stone Age Brain: Using your brain for small business success with less stress and help you save a guaranteed hour a day. This entertaining, interactive guide offers easy online assessments and is loaded with photos so you can develop your own personal organizing solutions to match your unique brain/work style. Small business owners and entrepreneurs will take time management by brain-style to a new level of success!

**Estimating Market Value and Establishing Market Rent at Small Airports** Aviation Management Consulting Group, Inc, Aeroplex Group Partners, Decker Associates, DKMG Consulting, Hangar Network, 2020 Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease

agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development.--  
Foreword.

**If the Gods Had Meant Us to Vote They Would Have Given Us Candidates** Jim Hightower, 2010-11-02 If anything, in this presidential election special, he's madder than ever! In his earlier bestseller, *There's Nothing in the Middle of the Road but Yellow Stripes and Dead Armadillos*, Hightower only began to tap into the deep yearning that Americans have for a new politics that speaks to them from a real-world, kitchen-table perspective. Now, with the year 2000 being an especially significant marker for contemplating our country's direction, not only for the new year but for the new century and the new millennium, it's time for citizens to reclaim their political, economic, and cultural heritage. Leading the way with his hilariously irreverent yet profoundly serious book is our name-naming, podium-pounding, point-them-in-the-right-direction populist, Hightower himself. He whacks conventional wisdom right upside the head, showing, with startling facts and compelling personal stories, that despite a so-called period of prosperity, America's middle class is getting mugged, and that far from being ordained by the gods, globalization is globaloney! Hightower rips the mass off of the candidates, the parties, the consultants, and especially the moneyed powers who are supporting all of the leading presidential hopefuls. he's mad about them all--but what he's maddest about, what really gets his goat, is that they are all the same! To paraphrase Jim, American politicians are alike because they don't come cheap. In fact, they're all very expensive. which is why only the rich can own them and why their allegiance is definitely not to regular, work-

day citizens. No one is spared in this insightful and engaging blend of horror and success stories, hard-hitting commentary, laugh-out-loud humor, useful facts, and sparkling language. An equal opportunity muckraker and conscientious agitator for We the people, Hightower inspires us to take charge again, to build a new politics, and, together, to build a better tomorrow. Jim Hightower's *If the Gods Had Meant Us to Vote They Would Have Given Us Candidates* proves yet again that his is a uniquely wise and peerlessly singular voice in the maelstrom of political prattle.

*Mummies, Monsters, and the Ship of Millions* Leena Pekkalainen, 2017-11-22 Another hilarious adventure for children with Mr. Mummific, the mummy with attitude. Having described his death and long mummification process in his last book, *How I Became a Mummy*, he now tells the story of his mishaps, misunderstandings, and misadventures as he leaves his tomb through the False Door to embark on the complicated and hazardous journey to the Afterlife aboard the magnificent Ship of Millions. The dangers he faces along the way (and desperately hopes to avoid) include being left hanging upside-down from the cavern ceiling, being swallowed (and vomited out again) by a giant serpent, or becoming a tasty morsel for the hideous Eater of the Dead. Once again, the pompous and frequently perplexed former pharaoh is our entertaining guide to some of the traditions and beliefs of the ancient Egyptians. Illustrated with eighty colorful scenes from the deathly existence of the funniest mummy you'll ever meet, *Mummies, Monsters, and the Ship of Millions* is a further ghastly treat for children and Egyptologists of all ages.

*Make Projects: Small Form Factor PCs* Matthew Weaver, Duane Wessels, 2008 This book demonstrates how to build small form factor PCs from kits and from scratch. It includes step-by-step instructions for building eight different systems and projects for building digital audio jukeboxes, digital video recorders, wi-fi extenders, and more.

**A Life Less Ordinary** John Hodge, 1997 He's a down-on-his-

luck janitor with aspirations of writing the great American trash novel. She's the spoiled, sharp-tongued boss's daughter, always looking for a creative way to spice up her boring life. Normally, these two would never meet, but a higher power has different plans for both of them. The major motion picture from 20th Century Fox starring Ewan McGregor, Cameron Diaz and Holly Hunter hits the box office in October.

*Scarlet and the Beast* I John Daniel,2023-02-26 My research has revealed that there are two separate and opposing powers in Freemasonry. One, headquartered in London, subscribes to and promotes an idolatrous and pantheistic view of the world. It is monarchist, capitalistic, wealthy, right-wing. The other, in Paris, is atheistic and humanistic in origin and outlook. It is republican, socialist, poor, left-wing. One is Scarlet. The other, the Beast. The breakthrough theory which I have developed with Scripture as my guide makes sense of the massive literature I have collected on Freemasonry as well as its apparent contradictions. My library includes books written by members of and defectors from both English and French Freemasonry. At the beginning of my research, like many other revisionist authors, I thought revisionist authors were reporting one single plot. I gradually realized that many authors were exposing what in reality were often the machinations of one group of conspirators against the other. The devices of both wings of Masonry were so similar that without Scripture as a guide, one could easily perceive only a single intrigue. This interesting twist in the historical drama, confirmed again and again by my research, points to the existence of a struggle between the two powers in Freemasonry. Although revisionist authors are supposedly concerned about one plot, I noticed that all exposes pointed to Paris as the center of an intrigue before World War I. After the War, however, evidence points to the shift of intrigue to London. I will explain this shift in the course of this book.

Know Your Enemy Honeynet Project,2004 A guide to

computer security discusses how the blackhat community uses the Internet for destructive purposes and provides information on how to learn from a blackhat attack to protect computer networks.

*Wobegon Boy* Garrison Keillor, 2004 John Tollefson enters a new passage in life; a job with a National Public Radio station in upstate New York, a misbegotten restaurant with some leftover hippie partners and a wonderful girlfriend. Despite his new experiences, he seems to be moving toward a mid-life crisis when he returns to Lake Wobegon for the funeral of his eccentric father.

**Catalogue of the Works Exhibited in the British Section of the Exhibition [microform]** Anonymous, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles.

One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Free Virus Removal Tool For W32 Joleee Worm free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world.

Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Free Virus Removal Tool For W32 Joleee Worm free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Free Virus Removal Tool For W32 Joleee Worm. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The

platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Free Virus Removal Tool For W32 Joleee Worm any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Free Virus Removal Tool For W32 Joleee Worm Books**
