Zero-Cost Traffic Tactics Noah Daniels,2016-04-12 What you'll discover in this eBook: The first thing you'll learn is the number one thing that you have to do before you take a single step towards getting traffic to your website. This thing must be accomplished or else all the traffic in the world won't do any good. You will learn a killer blogging technique that will allow you to get traffic by blogging a very specific way, and how you can make your readership numbers blow up. You'll learn how YouTube works and how it can help you to bring traffic to your website by researching how you're going to label your YouTube videos. You'll also learn some YouTube video creation techniques that will help you specifically with getting views on your YouTube videos and then funneling them towards your website. You'll learn a method for posting a link to your website multiple times a day where could potentially be seen by thousands or even tens of thousands of people, and it won't cost you a single dime. You'll be able to see example emails that will help you approach people so that you can get traffic to your site from other, more popular websites. You'll learn how iTunes can help you turn your trickling website traffic into a huge flowing river of traffic by doing something regularly that is both fun and valuable for people in the same industry as you are. By the end of this book, you will know how to approach another website or blog and get them to allow you to write a guest post and then put it on their website, in front of all of their visitors, with a link to your website as to drive traffic that way. You'll learn a method that will allow you to engage with a large group of people many of whom will want to visit your website when you're all finished. You'll learn something new that you may not have known about social media and how you can take advantage of this particular feature so that you can establish yourself as an expert in your industry and be able to gain not only traffic to your website but also a huge amount of social media followers across multiple platforms. You'll learn what the name dropping method is - a revolutionary new method for getting some of the most influential people on the Internet to link directly to your website without even asking for a link, or anything else for that matter, in return. You'll also learn how to create a guide or report and make it go viral and then have it drive traffic directly back to your website without you spending a single dime. In fact, other people will distribute this report for you, all leading back to driving traffic to your website for free. ...and much, much more! We go over the basics of each model and provide actionable steps you can follow to start succeeding in each. And if you're already a confident marketer? Then you can set up multiple revenue streams to maximize your income!

Web Traffic Magnet 2 Liam Scanlan,2011-07-01 Updated and expanded from the first edition of Web Traffic Magnet, this is an enhanced step-by-step guide to driving more visitors to your website, and converting those visitors to high quality leads. Focused on the budget-conscious, almost all of the action items recommended here are absolutely free to do. Even if you personally are not technical, you can pass simple instructions to the person or organization who built your site.Web Traffic Magnet 2 has three times the content and is expanded to cover Lead Generation, social media tools (like Facebook and Twitter) and even Google+. Every recommended action item is delivered as a discrete task, so the reader can jump back and forth to tackle any one task or tasks when and if they feel the time or opportunity is right. In addition, each recommended action item is tagged with a Difficulty, Cost and Reward indicator. For those on a limited budget, the cost-free actions can be done first. For those with less technical knowledge, the easier tasks can be done first.Most of the tasks are free to do and most are easy. Use this book to dip your toe into Search Engine Optimization and Lead Generation, or dive straight into the deep end if you are already familiar with the easier steps. Replete with screenshots and supporting evidence from real world businesses and websites, Web Traffic Magnet 2 includes contributions from readers of the original edition.
