Dragonfrigate Wizard Halcyon Blithe James M. Ward,2007-11-27 His yeoman voyage now behind him, Blithe must now accept new responsibilities as he ascends to the rank of DRAGONFRIGATE WIZARD HALCYON BLITHE. In the latest chapter of the young wizard's nautical education he finds himself second in command of a captured enemy vessel that must engage a demonship in combat before returning to port. Upon his return he is assigned duty on a dwarven dragonship where he and his shipmates encounter the deceit of politics and diplomacy before they can regain the security of their Arcanian dragonship and the company of their trusted crewmates. Combining elements of Hornblower with Harry Potter, and Robert Louis Stevenson with Robin Hobb, the Halcyon Blithe are nautical tales rich in magic and intrigue set against a panorama of fantastic naval battles as we follow the career of a young midshipwizard as he moves up through the ranks of His Majesty's Navy. At the publisher's request, this title is being sold without Digital Rights Management software (DRM) applied.

Pinball Wizards Adam Ruben,2017-11-01 Pinball's history is America's history, from gambling and war-themed machines to the arcade revolution and, ultimately, the decline of the need to leave your house. The strangest thing about pinball is that it persists, and not just as nostalgia. And pinball didn't just stick around—it grew and continues to evolve with the times, reflecting the zeitgeist of every era it passes through. Somehow, in today's iPhone world, a 300-pound monstrosity of wood and cables has survived to enjoy yet another renaissance.Pinball is more to humor writer Adam Ruben than a fascinating book topic—it's a lifelong obsession. Ruben played competitive pinball for more than a decade, rising as high as the 80th-ranked player in the world. Then he had kids. Now, mired in 9,938th place—darn kids—Ruben tries to stage a comeback, visiting pinball museums, gaming conventions, pinball machine designers, and even pinball factories in his attempt to discover what makes the world's best players, the real wizards, so good.Pinball competitions are on the rise, thanks in part to modern phenomena, like nostalgia bars, with several hundred International Flipper Pinball Association-sanctioned events occurring annually—yet they're only a small corner of the pinball world. Pinball Wizards examines the bigger story of pinball's invention, ascent, near-defeat, resurgence, near-defeat again, and struggle to find its niche in modern society.

Of Wizards and Wolves David Farland,2023-02-10 A memorial anthology for fantasy master David Farland A good story can entertain us. A great story can transform us. Two iconic archetypes in fantasy and fairy tales are wizards and wolves, and both are known for their ability to transform. Wizards can work magic to change the rules of the world to fit their wants and needs. Wolves can transform from man to beast under the light of a full moon. Both can represent power and danger as well as inspire loyalty or fear. This collection of eighteen short stories celebrates a wide variety of both wizards and wolves—often in the same story—as well as peels back the layers of what it means to be transformed. You’ll read stories of people turning into wolves—or wolves turning into people—but you’ll also read stories of a wizard passing on his legacy before he dies, and a hockey game played to reclaim part of a stolen soul. You’ll find a twist on the familiar story of a young girl in a red cape, and a tale of a pinball machine that is more than it appears to be. From fantasy to horror, to science fiction to humor, these stories offer something for everyone. David Farland transformed lives, not only with his writing and imagination, but also with his mentoring of new writers. This anthology supports the scholarship fund of the Superstars Writing Seminars, which he co-founded. “By turns heartbreaking and humorous—but always magical—this anthology is a fitting tribute that’s sure to please Farland’s fans.”—Publishers Weekly Don’t miss the other anthologies that support the scholarship fund.
