Planning, Developing, and Marketing Successful Web Sites Jason I. Miletsky, 2002 If you are an E-Commerce entrepreneur, this is the book that you'll want your technical staff to read before creating your Web Site. This book provides future developers and designers information on how to think about creating a successful Web Site. In terms of the physical site and its role in the overall success of the dot-com business, it urges readers to think about their business as a complex program that responds to the needs of the customer who contact it over the Web. Broken down into three sections, this comprehensive book covers the following areas: Planning and Analysis, Designing and Developing, and Marketing. Managing and Marketing a Successful Web Site is for the programmer or developer who is serious about exploring the nature of a successful Web Site.

A Visit from St. Nicholas Clement Clarke Moore, 1848 'Twas the night before Christmas, when all through the house Not a creature was stirring-not even a mouse. This timeless poem is so well known to children and so often recited by adults it is virtually a part of our common heritage. Written on Christmas Eve in 1822-in a horse-drawn sleigh with jingling bells according to legend-it evokes the excitement and good cheer of Christmas Eve like no other work of American literature. Paired with Thomas Nast's drawings of St. Nicholas, from which we derive the classic image of Santa Claus, this lovely edition may well become the quintessential American Christmas book for children of all ages.
