**Chaos Unleashed** Pippa DaCosta, 2017-02-28 From the ashes of the fallen demon court, a new threat rises... Raised in a lab and trained to kill, I might not know much about being human, but I do know demons, and they don't come more dangerous than the Prince of Pride—the devil. My brother is trapped at the heart of Fairhaven—a demon stronghold. To get him back, I need Pride's help. Trained to kill princes, I know I can't trust this one. He'll lie, cheat, and manipulate to get what he wants: a new Dark Court so that he can rise again as its leader. His pretty words and burned wings don't fool me. I'll use him and any means necessary to save my brother. I don't have a choice. If I fail, if I can't control the elemental forces gathering inside Fairhaven, chaos will be unleashed, creating a new Hell on Earth. My makers tell me I'm too demon to love, too demon to care. But they made me this way. Now it's time to show them all how demon I can be.

With those pouty red lips and bedroom voice. Strutting into the courtroom with more confidence than I can ever remember. She has the judge eating out of the palm of her hand. Kyra is the kind of woman every man wants. Beautiful. Smart. An incredible mother. To a daughter that sure does look and act a lot like me. But I'm no longer that young punk. We deserve a second chance. This time I'll make it right. This time I'll make her mine.

**Best Friend's Big Brother** J P Comeau, 2021-04-05  
The heart wants what it can't have. Chase is too forbidden and tempting, and that's making me chase after him more. Well that... and the fact that he's insanely gorgeous. Chase is my best friend's big brother and she's totally freaked out by us. The drama is more than I can handle. But I don't blame her... not one bit. He's so much older. A billionaire. I mean, what do I have to offer a billionaire? Nothing. Oh, except for my innocence. And then a secret baby. My life went from totally normal to completely stormy quite quickly. Now with a newborn baby on the way, I'm forced to figure out when to break the news to my baby daddy.

Busted Olivia Sinclair, 2021-02-25  
What if my dad's best friend finds out all my books' sexy heroes are based on him? If it hadn't been for that mean professor sophomore year, I never would have written an essay about my crush on Navy surgeon Commander Aiden McBride. (Yes, he's just as deliciously stern as that sounds.) And if it hadn't been for my new best friend Ingrid, I wouldn't have thought to turn the essay into the steamy novel that launched my career as an indie romance author. I'm grateful, really! There's just a couple of teeny-tiny things I would do differently if I had it to do over again. But thankfully you can update ebooks, so nobody ever

has to know. Phew! I've never expected Aiden to see me as anything but his best friend's daughter, and I'm okay with that. He mostly ignores me anyway. But graduation means I'm too old to hide behind a school-girl infatuation. It's time to move on. If he'll let me, that is. Because somehow Aiden found out what I did. He's not happy. And now I seem to be falling deeper in love. You can tell me the truth - am I totally screwed? Busted is a full-length standalone romance with no cliffhanger and an HEA.
