Since Africa Mia McCullough,2014-02-28 SINCE AFRICA chronicles the relationship between a Dinka refugee from Southern Sudan and three Americans - a North Shore socialite, her daughter, and an African American Deacon - who help him acclimate to Chicago's unfamiliar urban surroundings. A look at American culture through the eyes of an African, this play explores the

tensions between blacks and whites, Africans and African Americans, the devout and the non-religious. ... a play of culture shocks and culture clashes, has you reexamining the everyday patterns of the America you take for granted ... many flashes of radiance but a subtle through-line. -Howard Shapiro, The Philadelphia Inquirer McCullough uses the characters' relationships with Ater to explore such big themes as cultural imperialism, the persistence of ritual and the human cost of both social isolation and the need to belong. -James Hebert, The San Diego Union Tribune McCullough has written a sensitive and deeply thoughtful play. -Hedy Weiss, Chicago Sun-Times

Breaking Ground Daniel Libeskind, 2005 Daniel Libeskind's iconic buildings around the world -- from the Jewish Museum in Berlin to the Imperial War Museum North in Manchester, the V&A 'Spiral' to the most symbolic rebuilding project ever: the World Trade Center -- have sparked vigorous debate, not only for the way they look but for the ideas they contain. These are ideas that are important for all of us, and this is the story of those ideas -- a memoir of Libeskind's own life experiences, and of the events of history that have informed them. It is a book about the adventure life can offer each of us if we seize it, and about how we can all harness positively the powerful forces of tragedy, memory and hope.

Come home Charley Patton Ralph Lemon, 2013-02-27 Come home Charley Patton is a moving and an imaginative memoir documenting the Civil Rights Era and contemporary southern culture. Intricately layered and deeply arresting, Ralph Lemon's research on the African American experience intertwines personal anecdotes and family remembrances with diaristic accounts of the

making of a dance, as Lemon journeys the mythic roads of migration—visiting the sites of lynchings, following the paths of Civil Rights marches, and meeting the descendants of early blues musicians. *Come Home Charley Patton* is a rich, transcendent text, and a historically-charged meditation on memory in America. It is a formidable finale for the Geography trilogy (including *Geography* and *Tree*), three books connected thematically by racial identity and the related dance projects choreographed by Lemon. Generously illustrated with family photos, original art, and photos of the performance, the book will take its place in the canon of great African American writing.

JOHNSON V. JOHNSON Barbara Goldsmith, 2011-08-24 With the extraordinary investigative acumen and sensitive narrative skills that informed her best-selling *Little Gloria . . . Happy at Last*, Barbara Goldsmith now gives us the most sensational case of a contested will in American history—weaving a hypnotic tale of vast wealth and moral corruption. When J. Seward Johnson, the pharmaceutical heir, died in 1983 at the age of eighty-seven, his six children (each of whom was already in possession of an immense fortune) were outraged to learn that he had willed his entire \$500-million estate to their stepmother Basia—a woman forty-two years Seward's junior, a Polish refugee who had once worked as a chambermaid in his household. They came to believe that Basia had used undue influence to "enchant" their father, prying his fortune away from him and turning him against his own children. They wanted "justice." The legal battle that followed spawned a seventeen-week-long trial, the involvement of 210 lawyers (some of whose behavior was legally and ethically questionable), \$24 million in legal fees, and public disclosures of the often scandalous details of the lives of many of the parties involved, including attempted suicide, drug addiction, and accusations of a murder

plot. Going beyond the courtroom itself, Goldsmith delves into the family's past and present, demonstrating that, from the start, the poisonous effects of overwhelming wealth were a tacit but powerfully felt subtext to the proceedings. From her insider's position, she reveals the true Johnson legacy—one of profound emotional damage. In their own voices Seward's children, his first wife, relatives, friends, employees, and Basia herself express their thoughts and feelings with a startling degree of frankness, revealing a past of incest, malignant neglect, and betrayal. Through this deepening of the story, Goldsmith has been able to elucidate the profoundly complex reasons why each of the Johnsons believed that what was most emphatically at stake was not financial remuneration but emotional reparation. Throughout the four-month trial, Goldsmith (who researched the case for over a year and examined thousands of pages of documentation) was in constant attendance, and she tells the dramatic story of what occurred in spellbinding detail. We see the contesting parties, their innumerable lawyers, and the trial's remarkable judge, Marie Lambert ("part Portia, part Tugboat Annie"), playing out their roles in a courtroom packed with press and spectators, and rife with animosity, mistrust, and uncontrolled emotions (which erupted into a near-riot and death threats against the judge). Goldsmith illuminates how and why, as the trial progressed, it was transmuted almost entirely into a battle among lawyers, about lawyers, and for lawyers. She provides a masterful and devastating indictment of American law and lawyers, seen here as an out-of-control juggernaut fueled by a seemingly inexhaustible supply of money. Family drama, courtroom drama, explosive psychological drama, a trenchant and sometimes shocking portrayal of lawyers at work today—Johnson v. Johnson is a brilliant synthesis of the legal, the

social, and the human aspects of a society in disarray.

Fortunate Son James Hatfield, 2002-01-01 This title provides the truth about George W. Bush: how he dodged the draft, as a mediocre student at Yale, lost a lot of other people's money in boomtimes in the Texas oil market, and was investigated by the SEC for insider trading. It is a life of special favours, cut corners and blurry values.

The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.
