**Long Walk to Freedom** Nelson Mandela,2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

When We Kneel, We Learn Kayla Morgan Dudley,2021-08-16 When We Kneel, We Learn is an autobiographical work based on Kayla Morgan Dudley’s experience in a caregiving facility over the expanse of two years. The book touches on the relationships she cultivated with the elderly—including those living with Alzheimer’s and dementia. The audience that the author hopes to reach are those who are interested in caring for the geriatric population. The memoir is written from the lens of Christianity. However, the lessons that are learned throughout the piece are so profoundly human that they are accessible to anyone who wants to deepen their relationships and have a greater understanding of others. The book is shaped in such a way that it gives the reader insight into the personalities of our elders, including quotes and stories from individual persons, as well as ways that Kayla learned to approach caring for those enduring the effects of aging.

Anyone Can Be Saved David L. Allen,Eric Hankins,Adam Harwood,2016-09-15 Anyone Can Be Saved articulates a biblical-theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States. Ten scholars, pastors, and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture, the Baptist Faith and Message, and a variety of biblical, theological, and philosophical writings. Although many books address the doctrine of salvation, these authors consciously set aside the Calvinist-Arminian presuppositions that have framed this discussion in western theology for centuries. The contributors are unified in their conviction that any person who hears the gospel can be saved, a view that was found among earlier Baptists as well as other Christian groups today. This book is not meant to be the final word on Southern Baptist soteriology, but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation.
