**Dispensing Justice** Fritz Freiheit,2011 Michael is just another high school freshman genius concealing his potential until the day his father--secretly a superhero and member of the crime fighting Nova League, is killed in battle. Suppressed grief turns to confusion when a nearly perfect duplicate of his father picks Michael up after school. At home they find Michaels mother is on the brittle edge of a breakdown, refusing to acknowledge that she too saw her husband die and playing along with the duplicates charade. A family melt-down is averted by the timely arrival of Michaels oldest friend Penny and her family armed with a casserole, salad, and pie. Pennys mother--another secret member of the Nova League--imposes domestic peace with the same practiced ease that she fights supervillains, albeit with fewer broken bones. In the days that follow, Michael only wants to retreat to the secret lab beneath his suburban home and prepare for vengeance upon his fathers killers. A run-in with members of the varsity football squad leads to a pummeling and the realization that fitting into his fathers old battle-suit isnt the only leverage he needs. He needs a master plan for wreaking justice. Falling for the blind daughter of his martial arts instructor isnt part of the plan, nor is fending off the well-meaning attacks of Pennys twin younger siblings before they fatally cheer him up. His life and the plan become more complex as his best friend starts to develop powers, and doubly so when he finds out that his fathers legacy was more than just a battle-suit and a place to hang it, but the well-being of the supers community as well. Michaels story plays out in Nova Genesis, a world that diverged from ours in 1947 when a supernova bathed our system in deadly cosmic rays. Without the intervention of the interstellar civilization of the Galactics, life on Earth would have been wiped out. Instead, humanity is altered, a few made more--or less--than human. Thirty-seven years later the second generation of supers born on Earth are starting to come into their powers. Michael and his friends, some reluctantly, some enthusiastically, find themselves becoming part of a new generation of heroes.

**Sanders Confectionery** Greg Tasker,2006 For more than 130 years, there has been no sweeter word in Detroit than Sanders. The venerable confectioner was once as much a part of Detroit's streetscape as the Big Three, Hudson's, and Coney Islands. Sanders was more than just an ice-cream and candy shop. A Detroit icon, it served a fountain of memories for generations. Detroiters stood two and three deep behind lunch counters for tuna or egg salad sandwiches, devil's food buttercream bumpy cake, hot fudge sundaes, and Sanders' signature dessert--hot fudge cream puffs. As Detroit boomed, so did Sanders. At its peak, the company boasted more than 50 stores, with its products available in as many as 200 supermarkets. The Sanders story began in Chicago, where Fred Sanders opened his first shop. A series of misfortunes prompted him to relocate to Detroit, where he began selling his confections on Woodward Avenue. Business grew steadily, and by the early 1900s, he had opened other shops along Woodward and elsewhere in Detroit. The Motor City nearly lost Sanders in the mid-1980s, but its desserts shops have begun resurfacing, thanks to another Detroit institution, Morley Brands LLC, which bought the Sanders brand.
