from the world's ancient wisdom traditions with the most effective rapid-behavior-change techniques, hypnotherapist Tom Fortes Mayer presents with clarity, passion and playfulness the three pillars upon which all lasting happiness and success can be built: • Pillar 1: Peace (emotional intelligence and deprogramming fear) - how to let go of the limiting thoughts, beliefs, feelings and behaviors that are holding you back • Pillar 2: Power (success psychology) - how to unleash your enormous potential and flow through life with brilliance by learning to relate to life in new ways • Pillar 3: Purpose (unconditional love) - how to enjoy everything that matters most by experiencing more connection, contribution and celebration Featured throughout the book are links to free online videos as well as a preparatory hypnosis recording that turns the very reading of the book into a happiness-generating ritual. This makes the whole reading experience even more engaging and hugely increases the chance of real transformation happening in the life of the reader. By working through this program, you will understand why you think as you do, how you can lose the thinking that keeps you afraid and emotionally stunted, and how you can connect to a deep, lasting happiness. The Church of the Free Mind Azazel Rama, 2014-04-10 Azazel Rama is a poet and artist from

the San Francisco Bay Area who has been tapped into the spirit realm for the past 20 years. After dropping out of the Bay Area underground, he has finally decided to share with the world his unique understanding of the astral plane and the curious inhabitants therein. This large volume presents a poetic and lively take on magical theory and modern Occult philosophies, while disclosing some of the author's more personal experiences with aliens and other denizens of the spirit world. The text gets deep into the symbolisms of our collective unconscious, revealing a truly interconnected understanding of 'natural morals', while at the same time delivering tongue-in-cheek anti-theist arguments sprinkled with a dark and sometimes satanic sense of humor. In the spirit of Ragnar Redbeard's 'Might Is Right', (the legendary text aptly quoted in Anton LaVey's 'The Satanic Bible') these encoded grimoires are a wild and winding map of a deeper conscious nature. Sometimes ranting, and often a bit mad (we're all a bit mad), the information is sprinkled with esoteric poetry and symbolic illustrations, building into a climax that might come as a bit of a surprise! Chaos magician, urban shaman, synchromystic, or perhaps a member of a secret orders or sect...? Azazel Rama remains a mystery to the modern spiritual community, and a rebel against many popular and accepted ideals. Come inside and join The Church Of The Free Mind where you will be taken on a wondrous ride through the multiverse of our collective lives! BACK COVER COPY: Welcome to a world of subversive literature filled with magical wisdom and the decoding of the occult. In this volume, author Azazel Rama explores the ancient secrets of astral travel and reveals a doorway to the multiverse of endless potential. He then reveals how the heretical views of science and nature can slay the dragon of religion with common sense. This is not a self-help seminar filled with happy sunshine, nonsense codes, and false rainbows; this is a journey into the forbidden. The Church of the Free Mind has opened its gates, and within this Holy Temple no messiah shall be said to exist.

Written as a diatribe against words, this is the true philosophy of a snake swallowing its own tail. Behold the self-consuming god that exists within the flesh and souls of all living beings. Embark upon a spiritual exploration of a higher order of freedom as it relates to an unconsciously connected society of human animals, and learn the moral codes of Mother Nature as she echoes a sense of natural law through the depths of our collective being. This collection of essays proposes a way to enter a new cycle of human understanding.

Free Mind Free Speech Phillip Leno Wright Sr. Ph.D.,2014-12-04 This book is a carefully documented combination of my free transcendental thoughts, including many of my life experiences recalled and written precisely as creative stories. Some of them have been researched for affirmation, and there are some photos. Some of the stories may also be a bit unusual but true and somewhat ineffable. If anything written in this book, Free Mind Free Speech, seems to be offensive to anyone in any manner, I wish to apologize before you complete reading and cogitating about what you have read, and in the process, I hope that you find something in this book that is more than just words, but informative, enlightening, uplifting, or encouraging to your mind and your spirit. It is all taken from true experiences.

A Free Mind Ahmad M. Kathrada,2005 Publisher description

A Free Mind in the City Hajji Wali Ahmed Furqan,2013-05-20 If you are living in an urban environment pervaded by drugs, prostitution, and rampant crime, it can be difficult to raise children who have not been negatively impacted by their surroundings. But the neighborhood should not make the person. It is possible to teach your children to rise above the influence of drugs and poor decision-making, even when surrounded by poor role models. Illicit influences and corrupt elements in your neighborhood do not have to determine the level of success your children can experience as

adults. Author Wali A. Furqan, founder and president of the nonprofit organization PATOY (Paying Attention to Our Youth) is the father of seven children who overcame the potentially harmful effects of the urban environment and each became successful. In *A Free Mind in the City*, Furqan tells the story of his family and of how he raised his children in an environment that has a tendency to destroy the best of its denizens. In this guide, Furqan shares the wisdom he used with his children to help parents take responsibility for their family's success and teach their children fundamental morals and ideals that they otherwise might never learn. With focus on your family and the grace of God, success is inevitable.
