The Weed Gallery Chuck Hawtree,2013-04-10 For the characters and stories in The Weed Gallery, smoking pot is as much an act of rebellion as the only required credential for entry in a sub-culture still thriving. Set in the 1970s, they evoke an era when so many otherwise solid citizens entered adulthood as outlaws - solely because of anti-marijuana laws which finally show promise of changing. It's that indulgence, and the perspective of a common narrator/protagonist, which unites these sketches. Young men, mostly, they thumb their noses at the conventions of acceptable society to live on their terms, whether idling on city streets or rolling down highways from Florida to British Columbia. In the tradition of road stories, they celebrate a spirit of independence and adventure uniquely American, and our ability to laugh at ourselves, whether our actions are sincere or irresponsible. This is the first in a planned two volume series.

South of Pico Kellie Jones, 2017-03-17 Named a Best Art Book of 2017 by the New York Times and Artforum In *South of Pico* Kellie Jones explores how the artists in Los Angeles's black communities during the 1960s and 1970s created a vibrant, productive, and engaged activist arts scene in the face of structural racism. Emphasizing the importance of African American migration, as well as L.A.'s housing and employment politics, Jones shows how the work of black Angeleno artists such as Betye Saar, Charles White, Noah Purifoy, and Senga Nengudi spoke to the dislocation of migration, L.A.'s urban renewal, and restrictions on black mobility. Jones characterizes their works as modern migration narratives that look to the past to consider real and imagined futures. She also attends to these artists' relationships with gallery and museum culture and the establishment of black-owned arts spaces. With *South of Pico*, Jones expands the understanding of the histories of black arts and creativity in Los Angeles and beyond.

The Lincoln Highway Amor Towles, 2021-10-05 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope.” —Bill Gates “A real joyride . . . elegantly constructed and compulsively readable.” —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles’s writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero’s journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.” – Bill Gates
