A New French and English Dictionary Jean Louis de Lolme,James Boiëlle,1903

English French French English Word to Word Dictionary Fequiere Vilsaint,France Robert-Dubois,2008 The English French Dictionary is a practical instrument to help both English and French learners of the other language to improve their language skills and clarify issues of orthography. It contains 27,000 word entries and expressions, many with multiple meanings. We depart dramatically from our previous edition by first using a word frequency list of the English language to select frequent entries in common English communication. Second, we added special vocabulary from secondary school content fields such as social sciences, physical sciences, biological sciences, mathematics, language arts etc. The result is a comprehensive list of English entries with French equivalents in all areas covered in school curricula.

The International English and French Dictionary: French-English Leon Smith,Henry Hamilton,1901

French Dictionary Marie-Helene Correard,Valerie Grundy,2003-03-01 Acclaimed by language professionals the world over, the Oxford-Hachette French Dictionary leads the way in modern bilingual lexicography. The first ever French dictionary to be based entirely on the statistical evidence of vast electronic databanks of real language, both written and spoken, it is the most comprehensive, reliable, and up-to-date dictionary of French and English available today. Now, for a limited time only, this outstanding dictionary will include the cutting-edge Text-to-Speech CD-ROM which will pronounce any word in French--FREE with purchase of the dictionary! Text-to-Speech (TTS) is a software application that translates words on the screen into spoken language. Just type your sentence in French, and the computer will read it back to you with perfect pronunciation. Cut and paste a letter from a friend and you can hear what your friend has to say. It will even recognize times and dates written in abbreviated form and will change intonation according to punctuation. This new software makes language come alive, providing a unique opportunity to practice pronunciation, as well as giving excellent guidance in pronouncing particularly difficult words. This innovative language technology is an ideal learning tool, and there is nothing else like it available in the marketplace. With more words and phrases than any other single-volume French dictionary, plus the groundbreaking Text-to-Speech CD-ROM, the new edition of the Oxford-Hachette French Dictionary remains the first choice in bilingual dictionaries.
