**French Vocabulary** Christopher Kendris, Laurie Martin, 1990

*Instant French Vocabulary Builder* Tom Means, 2003 Many words in French are nearly the same as their English counterparts, except for the word ending. For example, English words ending in 'ary' (ordinary) usually end in 'aire' in French (ordinaire). This book teaches 23 word-ending patterns between English and French and provides over 4,000 vocabulary words that follow them. Perfect as a classroom supplement or for self-study, it is appropriate for all ages and levels of experience. The companion audio CD teaches pronunciation.

*A French Vocabulary* Malcolm William Murray, 1969

**Using French Vocabulary** Jean H. Duffy, 1999-03-11 Providing a structured vocabulary for all levels of undergraduate French courses, this text offers coverage of concrete and abstract vocabulary relating to the physical, cultural, social, commercial and political environment, as well as exposure to commonly encountered technical terminology.

*The Vocabulary of Modern French* Hilary Wise, 2003-10-04 The Vocabulary of Modern French provides a fresh insight into contemporary French. With this book, Hilary Wise offers the first comprehensive overview of the modern French vocabulary: its historical sources, formal organisation and social and stylistic functions. Topics covered include: \* external influences on the language \* word formation \* semantic change \* style and register In addition, the author looks at the relationship between social and lexical change and examines attempts at intervention in the development of the language. Each chapter is concluded by notes for further reading, and by suggestions for project work which are designed to increase awareness of specific lexical phenomena and enable the student-reader to use lexicographic databases of all kinds. The Vocabulary of Modern French is an accessible and fascinating study of the relationship between a nation and its language, as well as providing a key text for all students of modern French.

**Advanced French Vocabulary** Philip Horsfall, 2001 Advance French Vocabulary provides a fully up-to-date version of the popular reference book for post-16 and adult learners of French--Back cover.

*Mastering French Vocabulary* Wolfgang Fischer, Anne-Marie Le Plouhinec, 2003 This French word-power builder presents more than 5,000 words and phrases with translations into English. The feature that makes this vocabulary book distinctive is the way words are divided into themes, grouped together so that the foreign traveler or language student can find words related by subject. The subject themes include business terms, medical terms, household terms, scientific words and phrases, units of measurement, clothing, food and dining, transportation, art and culture: 24 separate themes in all. The new second edition has been expanded and updated with increased vocabulary.

*Schaum's Outline of French Vocabulary* Crocker, 1997-11-22 Master French vocabulary and ace your exams with Schaum's, the easy-to-follow guide that pumps up your language skills and reduces study time. The answered exercises will sharpen your test skills and result in a larger vocabulary, faster learning curves, and higher grades. *French Vocabulary Book* Pinhok Languages,2022-05-01 French vocabulary book + French dictionary This French vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic French-English as well as English-French dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This French learning resource is a combination of French vocabulary book and a two-way basic French dictionary: Part 1 - Topic based French vocabulary book: This is the main part of the book and represents a list of chapters each containing French vocabularies for a certain topic. The French vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-French dictionary: The index in the second half of the book can be used as a basic French dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic French-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for French words and directly find the English translation How to use this French vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The French dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the French translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic French dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning French and comes in particularly handy at times when there is no internet to look up words and phrases.
