Sun, wind and storm Alfred A. Weber,2023-11-20 How beautiful nature is! What do people do to preserve it? How do women and men treat each other? What social and political changes have there been in recent years and decades? Nature, love, society, politics - Alfred A. Weber puts stories from life into poem form. Some of the poems are serious and thought-provoking. But most of the poems are funny and many are also bizarre. Let yourself be surprised! This is not just a collection of poems to browse through. Short explanations by the author encourage readers to write their own poems.

Helping Children Who Yearn for Someone They Love Margot Sunderland,2017-05-08 This is a guidebook to help children who: are missing someone too much or suffer from separation anxiety; are obsessed with their absent parent yearn for a parent who: has died; seems unreachable, although she is right there; or is loving one minute and indifferent, cold or abusive the next. They yearn because they have been taken into care, fostered or adopted.

Everything I Have Is Yours Eleanor Henderson,2021-08-10 A NEW YORK TIMES NOTABLE BOOK OF 2021 • From New York Times bestselling author Eleanor Henderson comes a turbulent love story meets harrowing medical mystery: the true story of the author's twenty-year marriage defined by her husband's chronic illness—and a testament to the endurance of love Eleanor met Aaron when she was just a teenager and he was working at a local record store—older, experienced, and irresistibly charming. Escaping the clichés of fleeting young love, their summer romance bloomed into a relationship that survived college and culminated in a marriage and two children. From the outside looking in, their life had all the trappings of what most would consider a success story. But, as in any marriage, things weren't always as they seemed. On top of the typical stresses of parenting, money, and work, there were the untended wounds of depression, addiction, and childhood trauma. And then one day, out of nowhere: a rash appeared on Aaron's arms. Soon, it had morphed into painful lesions covering his body. Eleanor was as baffled as the doctors. There was no obvious diagnosis, let alone a cure. And as years passed and the lesions gave way to Aaron's increasingly disturbed concerns about the source of his sickness, the husband she loved seemed to unravel before her eyes. A new fissure ruptured in their marriage, and new questions piled onto old ones: Where does physical illness end and mental illness begin? Where does one person end and another begin? And how do we exist alongside someone else's suffering? Emotional, intimate, and at times agonizing, *Everything I Have Is Yours* tells the story of a marriage tested by powerful forces outside both partners' control. It's not only a memoir of a wife's tireless quest to heal her husband, but also one that asks just what it means to accept someone as they are.

Pond River Ocean Rain Charles Lattimore Howard,2017-02-07 For those who seek to find new depths in their spiritual lives, Pond

River Ocean Rain helps readers wade into the beautiful water that is God through stories, questions, and accessible illustrations. Feel the Living Water wash over you while contemplating chapters on stillness (such as a pond), the full trust in God's will (much like the rush of a river), peace within mystery (as experienced in the depths of the ocean), and the movement of God's relentless love for us (the refreshing rain we receive). Pond River Ocean Rain, like all bodies of water, is simple, occasionally wild, and consistently beautiful. And there are depths that, when explored, reveal abundant life for all who jump in.

The History of Italy Francesco Guicciardini, 2020-06-16 In 1537 Francesco Guicciardini, adviser and confidant to three popes, governor of several central Italian states, ambassador, administrator, military captain--and persona non grata with the ruling Medici after the siege of Florence--retired to his villa to write a history of his times. His *Storia d'Italia* became the classic history of Italy--both a brilliant portrayal of the Renaissance and a penetrating vision into the tragedy and comedy of human history in general. Sidney Alexander's readable translation and abridgment of Guicciardini's four-volume work earned the prestigious 1970 P.E.N. Club translation award. His perceptive introduction and notes add much to the understanding of Guicciardini's masterpiece.
