Joan Crawford David Bret,2009-04-15 In the first biography of Joan Crawford to give the full, uncensored story, bestselling author David Bret tells Crawford's rags to riches climb, from working in a Kansas City laundry to collecting an Oscar for her defining role in *Mildred Pierce*, and on to her devotion to Christian Science and reliance on vodka. He discusses the star's legendary relationship with Clark Gable, her countless love affairs, her marriages -- three of them to gay men -- and her obsession with rough sex. Bret divulges what really happened that led her to disinherit two of her four children, earning her the nickname Mommie Dearest, as well as how her loathed mother forced Crawford to work as a prostitute, appear in pornographic films, and sleep her way to the top. Bret analyzes Crawford's films, many of which were constructed purely as vehicles where actress and character were often indistinguishable. Overtly generous towards her coterie of gay friends, she was heartless towards her enemies, particularly Bette Davis, her co-star in *Whatever Happened to Baby Jane*, with whom she shared a lifelong feud. Drawing on a wealth of unpublished material and interviews, David Bret presents a unique, fascinating portrait of a single-minded, uncompromising woman.

Minister's Guide for Effective Shepherding Emmanuel D Apau Jr,2020-01-15 Luke 15:7 tells us that the whole heaven rejoices when one soul is won. It is the work of the shepherd to care for the souls of the Lord. They are tasked to watch over them, discipline them, teach them, guide them, etc. For this reason, shepherds are the heart beat of the Lord. The Lord Jesus Christ Himself is called the Good Shepherd. To shepherd a soul is the greatest work and greatest miracle here on earth and those who do it faithfully will have a great reward. The salvation of a soul is precious in the sight of God and is the only event that is able to move the entire heavenly host to rejoice and celebrate the blood and the done work of the cross. Most importantly, shepherds must follow the Chief Shepherd-Jesus Christ-to lay down their lives. They must first follow Him and then teach the congregation to follow as well, according to the will of God. Moon-face and Other Stories Jack London,1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London's most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.
