Dutch Boyd, Laurence Samuels

Poker on the Internet Andrew Kinsman, 2005 In recent years Internet Poker has been gone from an industry very much in its infancy, enjoyed by a few hundred regular 'play money' players, to a multi-million pound business, in which thousands of players around the world take part in real money games every day. With more than a dozen major sites in fierce competition for the online poker market, and new cardrooms being launched every few months, poker players nowadays face a huge (and potentially bewildering) range of choices. Whether you are a newcomer to online poker or already play regularly, this book provides you with the information you need to survive in the Internet poker jungle. It addresses the following questions: * How do I choose an online poker room at which to play? * How does online cardroom play differ from 'live' cardroom play? * Is there a risk of being cheated or colluded against? * How can I use the Internet to improve my play?

The Mental Game of Poker Jared Tendler, Barry Carter, 2011-10-02

Treat Your Poker Like a Business , 2009-12 Poker star Dusty Schmidt presents his first book [~ one that stands to shake up poker in the same way

Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. *Treat Your Poker Like A Business* provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate grinder, Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which

controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [-Raise: The Impossibly True Tale of Dusty Schmidt, [-? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.

Treat Your Poker Like a Business Dusty Schmidt, 2012-07-03 A book targeted for poker players who want to monetize their leisure time or pro career into a dependable source of income--by a player that's been there, done that. In this specialized book for poker players who want to monetize their leisure or pro career into a dependable source of income, online poker legend Dusty "Leatherass" Schmidt teaches players how to manage their bankroll, rationalize variance, play more tables, move up in stakes, avoid tilt, create new sources of revenue, and most importantly, become more profitable. The strategy section contains some of the most important tips in print,

Harrington on Cash Games: Volume II Dan Harrington, Bill Robertie, 2008 The first years of the poker boom were fueled by the interest in no-limit hold'em tournaments. Recently, however, players have been gravitating to another, even more complex form of hold'em - no-limit cash games. Harrington on Cash Games: Volume II, continues where Volume I left off. In sections on turn and river play, Harrington explains why these are the most important streets in no-limit hold'em, and shows how to decide when to bet or check, when to call or fold, and when to commit all your chips. In later sections, Harrington shows how to play a looser and more aggressive style, how to make the transition from online to live games, and how to extract the maximum profit from very low-stakes games. Volume II concludes with an interview with Bobby Hoff, considered by many the best no-limit cash game player of all times, who shares some of his secrets and insight. Dan Harrington won the gold bracelet and the World Champion title at the \$10,000 buy-in No-Limit Holdem Championship at the 1995 World Series of Poker. And he was the only player to make the final table in 2003 (field of 839) and 2004 (field of 2,576) - considered by cognoscenti to be the greatest accomplishment in WSOP history. In Harrington on Cash Games, Harrington and two-time World Backgammon Champion Bill Robertie have

written the definitive books on no-limit cash games. These poker books will teach you what you need to know to be a winner in the cash game world.

Poker For Dummies Richard D. Harroch, Lou Krieger, 2011-03-10 Poker is America's national card game, and its popularity continues to grow. Nationwide, you can find a game in progress everywhere. If you want to play, you can find poker games on replicas of 19th century riverboats or on Native American tribal lands. You can play poker at home with the family or online with opponents from around the world. Like bowling and billiards before it, poker has moved out from under the seedier side of its roots and is flowering in the sunshine. Maybe you've never played poker before and you don't even know what a full house is. **Poker For Dummies** covers the basics. Or perhaps you've played for years, but you just don't know how to win. This handy guide will help you walk away from the poker table with winnings, not lint, in your pockets. If you're a poker expert, you still can benefit – some of the suggestions may surprise you, and you can certainly learn from the anecdotes from professional players like T.J. Cloutier and Stu Ungar. Know what it takes to start winning hand after hand by exploring strategy; getting to know antes and betting structure; knowing your opponents, and understanding the odds. **Poker For Dummies** also covers the following topics and more: Poker games such as Seven-Card Stud, Omaha, and Texas Hold'em Setting up a game at home Playing in a casino: Do's and don'ts Improving your play with Internet and video poker Deciphering poker sayings and slang Ten ways to read your opponent's body language Playing in poker tournaments Money

management and recordkeeping Knowing when and how to bluff Poker looks like such a simple game. Anyone, it seems, can play it well – but that's far from the truth. Learning the rules can be quick work, but becoming a winning player takes considerably longer. Still, anyone willing to make the effort can become a good player. You can succeed in poker the way you succeed in life: by facing it squarely, getting up earlier than the next person, and working harder and smarter than the competition. Foreword by Chris MoneyMaker, 2003 World Series of Poker Champion.
