Littlebat's Halloween Story Diane Mayr,2009-09-01 Littlebat, who lives in the attic of the public library, loves to poke his head through a hole in the floor and listen to the librarian read stories to the children. One day he gets so excited by a picture in a book that he loses his grip and plummets into the room below. The children scream and the librarian shoos him away. Littlebat's mother says he must wait for changes before going so close to a book again. So Littlebat waits. The seasons slowly change, from spring to summer to fall. At last the nights are longer and cooler and the leaves have turned red and gold. Pumpkins appear. It's time!

The Happy Crab Layla Palmer,Kevin Palmer,2021-10-12 Happy is an adventurous little crab whose

world is suddenly turned upside down (literally!) when a mama and her son discover his large, unbroken shell while on vacation at the beach. After deciding to keep the shell as a souvenir, the boy unexpectedly feels the crab move inside and is suddenly faced with a decision: take him home or let him go. His compassion for the crab and thoughtful decision to release him gently reminds readers of the importance of selflessness and highlights how our environment, relationships, and experiences contribute greatly to our happiness. The Happy Crab is based on a true story experienced by Kevin, Layla, and their son, Steevenson, and you can see a video of the actual shell and crab at TheLetteredCottage.net/TheHappyCrab.

Princesses Wear Pants Savannah Guthrie, Allison Oppenheim, 2017-09-12 From NBC's TODAY coanchor Savannah Guthrie and educator Allison Oppenheim comes an empowering fairy tale with a twist. In the tradition of Not All Princesses Dress in Pink and Princess in Black, *Princesses Wear Pants* follows the unflappable Princess Penelope Pineapple, who knows how to get the job done while staying true to herself. Princess Penelope lives in a beautiful palace with a closet full of beautiful dresses. But being a princess is much, much more than beauty. In fact, every morning Princess Penelope runs right past her frilly dresses to choose from her beloved collection of pants! What she wears each day depends on which job she has to do. Will she command the royal air force sporting her sequined flight suit? Will she find her zen in her yoga pants and favorite tee? Or, will she work in the kingdom's vegetable garden with pocketed overalls for all of her tools? Unfortunately for Princess Penelope, not everyone in the Pineapple Kingdom thinks pants are always appropriate princess attire. When the grand Lady Busyboots demands that Princess Penelope must wear a gown to the annual Pineapple Ball, the young royal finds a clever way to express herself. Penelope's courage (and style

choices) result in her saving the day! In their debut children's picture book, Savannah Guthrie and Allison Oppenheim team up for a savvy and imaginative story that celebrates fashion and girl power. Perfect for fans of Nickelodeon's Nella the Princess Knight, *Princesses Wear Pants* challenges gender stereotypes in the name of individuality, showing girls it's not how they look but what they do that matters.

Bent Objects Terry Border, 2009-10-06 Trained as a photographer, Terry Border left the commercial world for story-telling. His complex vignettes are made of the simplest, everyday items: a jar of spices, a cigarette stub, a flower, a snack food. These sly photos range from whimsical scenes to sexy scenarios, the sad truths to the hilarious happenings in everyday life. In the tradition of bestselling humorous photography books like *Chicks with Baggage*, *Play with Your Food*, and *Hello Cupcake!*, this volume will surprise you with every viewing. A sunflower missing a petal becomes the tortured artist Van Gogh; an egg arrives to visit his mom only to discover roast chicken on the table; when confronted by a jar of peanut butter, peanuts hold a wake; and hot dogs leave behind their own brand of little presents. Marshmallows, wine corks, bread, soap, rocks, and tea bags—no common household item is safe from the twisted (wire) mind behind these uncommon creations!
