Drive Daniel H. Pink,2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and

persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

As a big-hearted and generous entrepreneur, we'd be wise to take her advice.' - Emma Isaacs, Business Chicks 'Like a best friend in your pocket... the essential go-to for every human in this modern, fast-paced world.' - Lisa Messenger, Founder & Editor-in-Chief, Collective Hub Kick goals in your business or career and find happiness and fulfilment in the process - *Seize The Yay* shows you how to do both. There are so many wellness and business titles on the market focusing on success and productivity, but not many which encourage you to break that autopilot circuit of 'busy' and flip the conversation back towards what makes you yay. Entrepreneur and Co-Founder of Matcha Maiden green tea, Sarah started her first business after suffering from a case of complete adrenal exhaustion. As a young lawyer looking for a caffeine-free fix to supplement her serious coffee habit, she ordered ten kilos of tea from Japan by accident. Starting up a side hustle to shift the nine kilos of matcha she didn't need, Matcha Maiden was born. With no background in the area, business experience or investment behind them, Sarah and her partner Nic built Matcha Maiden from scratch, followed by internationally acclaimed plant-based cafe Matcha Mylkbar and, later, the chart-topping *Seize the Yay* podcast. Here, Sarah shows how it can be done without losing your joy or sense of appreciation for the journey. Sharing practical tips and life advice to help you realize your own career and life dreams while staying grounded and well, *Seize The Yay* is your one-stop shop for achieving business success.
