ALEXANDER GREEN

📖 [Kiplinger's Personal Finance](#), 1998-11 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

📖 [Fund Managers](#) Matthew Hudson, 2019-12-16 The definitive guide on fund and asset managers worldwide. Fund Managers: The Complete Guide is an all-encompassing overview of fund and asset managers around the globe. The only comprehensive guide on the subject, this book covers both the fund manager and the market as a whole while providing insights from current and future fund managers and leaders in the technology industry from the UK, EU and US. Focused examination of the fund managers and their investors – the categories of manager, the asset classes they participate in, how they are using technology and their views on the market – complements a wider survey of the market that includes upcoming changes to regulation, taxation and political shifts in the Western world. The asset management industry continues to undergo significant changes that rise from the global financial crisis and its recovery, the recent technology boom and political fluctuations that have altered the way business is conducted in financial markets around the world. Questions concerning China and Asia's rise, Trumpian influence in America and post-Brexit UK-EU relations underscore the contemporary relevance of Fund Managers: The Complete Guide to current and future discourse within the industry. This important volume: Explains worldwide roles, purposes and operations of asset managers including how local culture influences their strategies Examines different types of assets and asset-management strategies Investigates the influence of macroeconomic and political factors such as governance and regulation, international taxation, anti-globalisation and populism Illustrates the impact of technology and its disruptive products and players Describes the different types of investor investing in the managers' funds and how they view the industry Future-gazes over the ten years and beyond for the industry Fund Managers: The Complete Guide is the authoritative resource for anyone who requires an overview of the asset management industry and up-to-date insights on current and future trends and practices. The book also complements the author's earlier work Funds: Private Equity, Hedge and All Core Structures.

📖 [Alternative Investments](#) Donald R. Chambers, Mark J. P. Anson, Keith H. Black, Hossein B. Kazemi, CAIA Association, 2020-03-16 Alternative Investments: CAIA Level I, 4th Edition is the curriculum book for the Chartered Alternative Investment Analyst (CAIA) Level I professional examination. Covering the fundamentals of the alternative investment space, this book helps you build a foundation in alternative investment markets. You'll look closely at the different types of hedge fund strategies and the range of statistics used to define investment performance as you gain a deep familiarity with alternative investment terms and develop the computational ability to solve investment problems. From strategy characteristics to portfolio management strategies, this book contains the core material you will need to succeed on the CAIA Level I exam. This updated fourth edition tracks to the latest version of the exam and is accompanied by the following ancillaries: a workbook, study guide, learning objectives, and an ethics handbook.

📖 [Portfolio Management](#) John Bonner, Marcus Rees, Edward Ivanovic, 2015-05-01 Investing can seem simple, but there are an infinite number of ways to get to your goals and an infinite number of ways to fail. To sharpen your investment skills, this book guides you through the key aspects of the fund management profession, working from a macro-industry overview to the micro details of security-valuation techniques, combining the benefits of academic experience with decades of industry experience. This is something also found in the complementary online Market-Class Investment Simulator, where you can manage a \$100m fund in a dynamic market and your decisions and those of fellow fund managers 'make the market'. A smart investor doesn't rely on luck or guts, but on learning as much as possible to make the best decisions. Portfolio Management and Market-Class, with their uniquely rich insight into the real-life workflow of portfolio management, are a vital component in any investor's education.

📖 [Factor Investing For Dummies](#) James Maendel, Paul Mladjenovic, 2022-10-20 Systematically secure your financial future—Dummies makes it easy. Factor Investing For Dummies helps you go beyond the investment basics, with proven techniques for making informed and sophisticated investment decisions.
