Lessons from Madame Chic Jennifer L. Scott, 2012-11-06 Inspired by Paris, this lighthearted and deceptively wise contemporary memoir serves as a guidebook for women on the path to adulthood, sophistication, and style. Jennifer Scott's self-published success is now a beautifully packaged and fully illustrated gift

book, perfect for any woman looking to lead a more fulfilling, passionate, and artful life. Paris may be the City of Light, but for many it is also the City of Transformation. When Jennifer Scott arrived in Paris as an exchange student from California, she had little idea she would become an avid fan of French fashion, lifestyle, and sophistication. Used to a casual life back home, in Paris she was hosted by a woman she calls "Madame Chic," mistress of a grand apartment in the Sixteenth Arrondissement. Madame Chic mentors Jennifer in the art of living, with elegance and an impeccably French less-is-more philosophy. Three-course meals prepared by the well-dressed Madame Chic (her neat clothes covered by an apron, of course) lure Jennifer from her usual habit of frequent snacks, junk food, sweatpants, and TV. Additional time spent with "Madame Bohemienne," a charming single mother who passionately embraces Parisian joie de vivre, introduces readers to another facet of behind-closed-doors Parisian life. While Francophiles will appreciate this memoir of a young woman's adventure abroad, others who may not know much about France will thrill to the surprisingly do-able (yet chic!) hair and makeup lessons, plus tips on how to create a capsule wardrobe with just ten useful core pieces. Each chapter of Lessons from Madame Chic reveals the valuable secrets Jennifer learned while under Madame Chic's tutelage—tips you can master no matter where you live or the size of your budget. Embracing the classically French aesthetic of quality over quantity, aspiring Parisiennes will learn the art of eating (deprive yourself not;

snacking is not chic), fashion (buy the best you can afford), grooming (le no-makeup look), among other tips. From entertaining to decor, you will gain insights on how to cultivate old-fashioned sophistication while living an active, modern life. *Lessons from Madame Chic* is the essential handbook for a woman that wants to look good, live well, and enjoy that Parisian *je ne sais quoi* in her own *arrondissement*.

Fred Gets Dressed Peter Brown, 2021-05-04
From a New York Times bestselling author and Caldecott-honor winning artist comes an exuberant illustrated story about playing dress up, having fun, and feeling free. The boy loves to be naked. He romps around his house naked and wild and free. Until he romps into his parents' closet and is inspired to get dressed. First he tries on his dad's clothes, but they don't fit well. Then he tries on his mom's clothes, and wow! The boy looks great. He looks through his mom's jewelry and makeup and tries that on, too. When he's discovered by his mother and father, the whole family (including the dog!) get in on the fun, and they all get dressed together. This charming and humorous story was inspired by bestselling and award-winning author Peter Brown's own childhood,

and highlights nontraditional gender roles and self-expression.
