Screen Savers II: My Grab Bag of Classic Movies John DiLeo,2015-04-19 Screen Savers II is John DiLeo's three-part grab bag of classic movies, beginning with his extensive essays about ten remarkable and underappreciated movies, as in the first Screen Savers, and representing a variety of genres and stars such as Barbara Stanwyck, James Stewart, Ginger Rogers, and DiLeo favorite Joel McCrea. Part Two collects and categorizes posts from DiLeo's classic-film blog screensaversmovies.com, containing his musings on classics revisited, sleepers and stinkers, films old and new, plus his memorial

tributes to Hollywood notables. Part Three might be called a delayed bonus round to DiLeo's 1999 quiz book, with all-new matching quizzes. Can you identify the films in which a character writes a book titled Hummingbird Hill; Fred Astaire dances with Betty Hutton; a character named Sean Regan is important but never seen?

Before Takeoff Adi Alsaid,2022-06-07 The Sun Is Also a Star meets Jumanji when two teens meet and fall in love during a layover-gone-wrong at the Atlanta airport in this thrilling new novel from the author of Let's Get Lost! James and Michelle find themselves in the Atlanta airport on a layover. They couldn't be more different, but seemingly interminable delays draw them both to a mysterious flashing green light--and each other. Where James is passive, Michelle is anything but. And she quickly discovers that the flashing green light is actually... a button. Which she presses. Which may or may not unwittingly break the rules of the universe--at least as those rules apply to Hartsfield-Jackson Atlanta. Before they can figure up from down, strange, impossible things start happening: snowstorms form inside the B terminal; jungles sprout up in the C terminal; and earthquakes split the ground apart in between. And no matter how hard they try, it seems no one can

find a way in or out of the airport. James and Michelle team up to find their families and either escape the airport, or put an end to its chaos--before it's too late.

Internet Children's Television Series, 1997-2015 Vincent

Terrace, 2016-12-16 Created around the world and available only on the web, internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI, live-action comedies and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

Reginald Pepper Is Out of Time Neil Sorenson, 2007-03 No summoning the

spirits of the dead on a schoolnight Being the son of a world-famous paranormal troubleshooter isn't all it's cracked up to be. Just ask Reginald Pepper. Sure, he'd say there's fun to be had chatting with ghosts in moldering crypts or tinkering with preternatural gadgetry in his dad's lab, but he'd also be the first to admit that meddling in the realm of the supernatural can have nasty consequences. And being yanked 100 years into the past would certainly qualify as a nasty consequence. When Reginald uncovers a strange family secret hidden in a forgotten well, he and his older sister are plunged backward in time to the year 1905, where they find themselves in a desperate race to thwart the tangled schemes of a vengeful vampire. Time is running out for them to fix the disasters of the past and decipher the mystery behind the leering crystal skull that holds the key to their family's future. www.ReginaldPepper.com
