**Hustle Harder, Hustle Smarter** Curtis "50 Cent" Jackson,2020-04-28 NEW YORK TIMES BESTSELLER For the first time, Curtis "50 Cent" Jackson opens up about his amazing comeback—from tragic personal loss to thriving businessman and cable's highest-paid executive—in this unique self-help guide, his first since his blockbuster New York Times bestseller The 50th Law. In his early twenties Curtis Jackson, known as 50 Cent rose to the heights of fame and power in the cutthroat music business. A decade ago the multi-platinum selling rap artist decided to pivot. His ability to adapt to change was demonstrated when he became the executive producer and star of Power, a high-octane, gripping crime drama centered around a drug kingpin's family. The series quickly became "appointment" television, leading to Jackson inking a four-year, \$150 million contract with the Starz network—the most lucrative deal in premium cable history. Now, in his most personal book, Jackson shakes up the self-help category with his unique, cutting-edge lessons and hard-earned advice on embracing change. Where The 50th Law tells readers "fear nothing and you shall succeed," Hustle Harder, Hustle Smarter builds on this message, combining it with Jackson's street smarts and hard-learned corporate savvy to help readers successfully achieve their own comeback—and to learn to flow with the changes that disrupt their own lives.

**The Office BFFs** Jenna Fischer,Angela Kinsey,2022-05-17 INSTANT #1 NEW YORK TIMES BESTSELLER An intimate, behind-the-scenes, richly illustrated celebration of beloved The Office co-stars Jenna Fischer and Angela Kinsey's friendship, and an insiders' view of Pam Beesly, Angela Martin, and the iconic TV show. Featuring many of their never-before-seen photos. Receptionist Pam Beesly and accountant Angela Martin had very little in common when they toiled together at Scranton's Dunder Mifflin Paper Company. But, in reality, the two bonded in their very first days on set and, over the nine seasons of the series' run, built a friendship that transcended the show and continues to this day. Sharing everything from what it was like in the early days as the show struggled to gain traction, to walking their first red carpet—plus exclusive stories on the making of milestone episodes and how their lives changed when they became moms—The Office BFFs is full of the same warm and friendly tone Jenna and Angela have brought to their Office Ladies podcast.

**The Table Comes First** Adam Gopnik,2011-10-25 Transplanted Canadian, New Yorker writer

and author of *Paris to the Moon*, Gopnik is publishing this major new work of narrative non-fiction alongside his 2011 Massey Lecture. An illuminating, beguiling tour of the morals and manners of our present food manias, in search of eating's deeper truths, asking Where do we go from here? Never before have so many North Americans cared so much about food. But much of our attention to it tends towards grim calculation (what protein is best? how much?); social preening (I can always score the last reservation at xxxxx); or graphic machismo (watch me eat this now). Gopnik shows we are not the first food fetishists but we are losing sight of a timeless truth, the table comes first: what goes on around the table matters as much to life as what we put on the table: families come together (or break apart) over the table, conversations across the simplest or grandest board can change the world, pain and romance unfold around it--all this is more essential to our lives than the provenance of any zucchini or the road it travelled to reach us. Whatever dilemmas we may face as omnivores, how not what we eat ultimately defines our society. Gathering people and places drawn from a quarter century's reporting in North America and France, *The Table Comes First* marks the beginning a new conversation about the way we eat now.

**How I Became a Quant** Richard R. Lindsey, Barry Schachter, 2011-01-11 Praise for How I Became a Quant Led by two top-notch quants, Richard R. Lindsey and Barry Schachter, *How I Became a Quant* details the quirky world of quantitative analysis through stories told by some of today's most successful quants. For anyone who might have thought otherwise, there are engaging personalities behind all that number crunching! --Ira Kawaller, Kawaller & Co. and the Kawaller Fund A fun and fascinating read. This book tells the story of how academics, physicists, mathematicians, and other scientists became professional investors managing billions. --David A. Krell, President and CEO, International Securities Exchange *How I Became a Quant* should be must reading for all students with a quantitative aptitude. It provides fascinating examples of the dynamic career opportunities potentially open to anyone with the skills and passion for quantitative analysis. - Roy D. Henriksson, Chief Investment Officer, Advanced Portfolio Management Quants--those who design and implement mathematical models for the pricing of derivatives, assessment of risk, or prediction of market movements--are the backbone of today's investment industry. As the greater volatility of current financial markets has driven investors to seek shelter from increasing uncertainty, the quant revolution has given people the opportunity to avoid unwanted financial risk by literally trading it away, or more specifically, paying someone else to take on the unwanted risk. *How I Became a Quant* reveals the faces behind the quant revolution, offering you the chance to learn firsthand what it's like to be a quant today. In this fascinating collection of Wall Street war stories, more than two dozen quants detail their roots, roles, and contributions, explaining what they do and how they do it, as well as outlining the sometimes unexpected paths they have followed from the halls of academia to the front lines of an investment revolution.

A Load of Hooey Bob Odenkirk, 2014-10-07 Bob Odenkirk is a legend in the comedy-writing world, winning Emmys and acclaim for his work on *Saturday Night Live*, *Mr. Show* with Bob and David, and many other seminal TV shows. This book, his first, is a spleen-bruisingly funny omnibus that ranges from absurdist monologues ("Martin Luther King, Jr's Worst Speech Ever") to intentionally bad theater ("Hitler Dinner Party: A Play"); from avant-garde fiction ("Obituary for the Creator of Madlibs") to free-verse poetry that's funnier and more powerful than the work of Calvin Trillin, Jewel, and Robert Louis Stevenson combined. Odenkirk's debut resembles nothing so much as a hilarious new sketch comedy show that's exclusively available as a streaming video for your mind. As Odenkirk himself writes in "The Second Coming of Jesus and Lazarus," it is a book "to be read aloud to yourself in the voice of Bob Newhart."

Oregon Breweries Brian Yaeger, 2014-12-01 This comprehensive guide covers all aspects of beer and brewing in Oregon, one of the leading states in the craft brew revolution, and features 190 breweries and brewpubs.

**Marmalade Atkins' dreadful deeds** Andrew Davies, 1982

The Goat Anne Fleming, 2018-05-03 A kid named Kid, a dog named Cat, and a goat on a roof A blind skateboarding writer, an old man who can't speak (and his wife), a smartly dressed non-hamster-owner, plus Kid and her parents, are all apparently sharing their Manhattan apartment building with a mountain goat. But in all the wonders and marvels of New York City, who has time to see this impossible goat? How did the goat even get there? And is the goat really capable of something a little like magic? In this tender and hilarious tale of a misplaced animal, a road trip, and a Broadway show, neighbours who were previously strangers may find the goat is just what they

needed... ANNE FLEMING is the author of *Pool-Hopping and Other Stories* (shortlisted for the Ethel Wilson Fiction Prize, the Danuta Gleed Award and the Governor General's Award), *Anomaly* and *Gay Dwarves of America*. She is a long-time and highly regarded teacher of creative writing who has taught at the University of British Columbia, Emily Carr University of Art and Design, Douglas College, Kwantlen University College and the Banff Centre for the Arts. *The Goat* is her first full-length work for young readers. Anne lives in Vancouver.

*Mutations* Sam McPheeters, 2020-02-11 How can so many people pledge allegiance to punk, something with no fixed identity? Depending on who and where you are, punk can be an outlet, excuse, lifestyle, escapism, conversation, community, ideology, sales category, social movement, punishable offense, badge of authenticity, reason to drink beer forever, or an aesthetic of belligerent incompetence. And if someone has a strong belief about what punk is, odds are they have even stronger feelings about what punk is not. Sam McPheeters championed many different versions. Over the course of two decades, he fronted *Born Against*, released dozens of records and fanzines, and toured seventeen times across the northern hemisphere. In this collection of essays, profiles, criticism, and personal history, he examines the diverse realms he intersected--New York hardcore, Riot Grrrl, Gilman street, the hidden enclaves of Olympia, and New England, and downtown Los Angeles--and the forces of mental illness and creative inspiration that drove him, and others, in the first place.

*Confidence Men* Ron Suskind, 2012-06-19 "Savvy and informative. . . . The most ambitious treatment of this period yet. . . . Suskind's book often reads like Halberstam's *The Best and the Brightest*. But the quagmire isn't a neo-Vietnam like Afghanistan—it's the economy." — Frank Rich, New York "A searing new book. . . . Suskind has a flair for taking material he's harvested to create narratives with a novelistic sense of drama." — Michiko Kakutani, The New York Times "No book about the Obama presidency appears to have unnerved the White House quite so much as *Confidence Men* by Ron Suskind, a Pulitzer Prize-winning journalist who has developed a niche in the specialized art of parting the curtain on presidential dealings." — The Chicago Tribune "A truly groundbreaking inside account. . . . Penetrating in its analysis of why the administration's approach to the country's economic ills has been so lackluster. . . . An important addition to the growing library of books about this president." — Joe Nocera, The New York Times Book Review "The book of the week, maybe the book of the month, is Ron Suskind's *Confidence Men*. . . . A detailed narrative of the Administration's response-sometimes frantic, sometimes sluggish, sometimes both-to the financial and economic catastrophe it inherited, as experienced from the inside." — Hendrik Hertzberg, The New Yorker "The work that went into *Confidence Men* cannot be denied. Suskind conducted hundreds of interviews. He spoke to almost every member of the Obama administration, including the President. He quotes memos no one else has published. He gives you scenes that no one else has managed to capture." — Ezra Klein, The New York Review of Books "Suskind's account of the Obama administration is a marker of our times. It reveals a President unable to perform responsibly the duties of his high office. . . . Suskind's contribution to this tale of woe is to give us a fine grained picture of Obama's passive place in deliberations." — Huffington Post The Huffington Post "My Book of the Year. A narrative tour de force. . . . Journalism like this is all too rare in an age in which reporters trade their critical faculties for access. And it's even rarer that skeptical reporting is turned into something lasting." — David Granger, Esquire "This inside account of the Obama economic team contains enough damning on-the-record quotes to give it the ring of truth despite White House efforts to discredit the narrative of infighting and missed opportunities. Read it and weep. It reminds me of the post-Iraq invasion books that documented a similar failure to rise to the enormity of the problem, whether the insurgency was in Iraq or on Wall Street." — Eleanor Clift, Newsweek
