The Adobe Photoshop Express Beta Pocket Guide Jeff Carlson,2009-02-02 Adobe Photoshop Express Beta is a free Rich Internet Application (RIA) that allows users to store, sort and display digital photos with eye-catching effects. Photoshop Express Beta allows users to store up to 2 gigabytes of images online for free, and lets users make edits to their photos and share them online in creative ways. For example, users can download and upload photos to and from various social networking and image-hosting sites, including Facebook, PhotoBucket, and Picasa. In this handy, low-priced guide, best-selling author Jeff Carlson walks you through the key new features of this exciting new Adobe application. After taking you on a tour of the Photoshop Express Beta interface, Jeff shows you how to assemble your library, which includes uploading and transferring photos from online services, editing your photo's metadata, and creating an album. You'll then move on to adjusting your photos--from basic editing techniques, such as crop and rotate, auto correct, red-eye removal and exposure--to creating more advanced effects. Finally, you'll learn everything you need to know to share your photos with others, including creating a gallery, sharing albums, exporting edited photos, and more.

Photoshop Edward Bailey,Professor of Business Communications Edward Bailey,2015-09-23 Did you ever want to learn how to make your photos stand out? ** Get this book by Amazon Best Selling Author Edward Bailey ** Do you think Photoshop is too complicated for you? If you answered YES to both questions, then this book is perfect for you. You can make your photos stand out and you can do it easily. This book will help you realize that the photo-editing processes in Photoshop aren't complicated and you can edit your images like a pro. Whenever we look through magazines or browse some websites, we see photos of high quality. These photos didn't always look perfect. They started as ordinary photos taken by a person who wanted to point something out or to capture some beauty or simply to take a picture of someone else or even themselves. Yes, these photographs were edited. The only reason they look perfect to you is because the photographer or graphic designer wanted to make the focus of the photo stand out or to express his or her creativity. If you ever wondered how amazing it would be to actually make your own images look like that, then this book is the ideal solution for you. The book teaches you how to edit images using the same techniques as professional editors and photographers. People usually get discouraged whenever they hear or read the word professional. To them, the word immediately indicates a complicated and time-consuming process that they would never be able to understand or even perform. This is, exactly what makes this book different from all other books; the simplicity. Here is what this book will teach you: * Various Photoshop art effects - in this part of the book, you will learn how to turn your photo into a painting in 15 easy steps. Moreover, you can turn the photo you capture into a pencil drawing and it can be done in 10 steps. It really is that easy. If you ever wanted to make a comic book with you as the main character (or your friends), this book contains the step by step guide. In 17 simple steps, you can become a comic book character * Editing and repairing old photos - you probably have

tons of old photos that are slightly damaged. The second part of this book teaches you how to repair damaged photos in 4 steps; (YES! It is that easy), and you can also ADD color to your old black and white photos. You can use these techniques and make a perfect birthday/holiday present for your parents or grandparents * Photoshop hacks for graphic designers - in this part, all graphic design enthusiasts can learn how to add a flaming effect to various objects or to add an exploding text effect Benefits of buying this book: * Simple techniques * Step by step instructions * Versatile content * Practical use * Brings out your own creativity Read this book for FREE on Kindle Unlimited - Download Now!“ All photo-editing methods in this book are simple and able to be performed by absolutely everyone. Moreover, throughout the book, you will learn how to express your own creativity and you can adjust the values of all settings according to your preferences. Follow the instructions provided in this book and start editing your images like a pro. All that you need to be a pro is your own creativity (which you already have) and Photoshop. Get started. iPhone Obsessed Dan Marcolina,2011-03-08 Obsessed with the instant gratification of taking pictures with his iPhone, designer-photographer Dan Marcolina dedicated an entire year to a series of mobile image experiments. His amazing results and the post-processing steps on the iPhone to achieve them can be found in this gorgeous four-color photography guide. Part inspiration and part how-to, iPhone Obsessed is filled with eye-popping images and coverage of 47 of the best iPhone photo applications. Without ever leaving your iPhone, you learn to create artistic effects such as blurs and vignettes, high dynamic range, film looks, black and white, and more. Marcolina takes you through the construction of his images, explaining which apps he used and why. You'll not only be inspired to create hang-on-the-wall art with your iPhone, but you'll know exactly what apps to use and where to get them. iPhone Obsessed also interacts with your iPhone. In the introduction, the author explains how to scan one of the 75 custom Microsoft Reader Tags in the book using a free iPhone tag reader (<http://gettag.mobi>). These tags uncover another virtual layer of information, including four hours of bonus video tutorials, app developer Web sites, and links to the iTunes Store for app purchase along with inspirational image galleries to swipe through. He also includes several bonus textures that he created for you to download and use on your images. For Apple iPhone 3GS, iPhone 4G, and iPod touch 4 users, this guide will raise the standard of iPhone photography and show how the combination of picture choice and multiple app processing can turn an ordinary image into a work of art. Readers of iPhone Obsessed can also join the iPhone Obsessed flickr group to share their works of art as they go through the apps in the book: <http://www.flickr.com/groups/iobsessed/> To coincide with the launch of iPhone Obsessed, Marcolina plans to release a tablet companion version for the iPad, featuring interactive demonstrations from the book and new app formulas.
