The Galactic Federal Bureau, an alien race called Arlians, an insane religious cult, and a whacked out cyborg named Locharp also has hopes of taking it. Naruto Masashi Kishimoto, 2007

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Snow Rose Lulu Taylor, 2016-12-01 'This is a fantastic, all-consuming read.' - Heat The Snow Rose is the gripping story of a woman on the run from her past by Lulu Taylor, author of The Winter Folly. Kate is on the run with her daughter Heather, her identity hidden and their destination unknown to the family they've left behind. She's found a place where

they can live in solitude, a grand old house full of empty rooms and dark secrets. But they're not alone, for there are the strange old ladies in the cottage next door: Matty and her sister Sissy. They know what happened here long ago, and are curious about Kate. How long can she hide Heather's presence from them? When an eccentric band of newcomers arrive, led by the charismatic Archer, Kate realizes that the past she's so desperate to escape is about to catch up with her. And inside the house, history is beginning to repeat itself . . .
