sentenced to 30 years in prison. Russell dies of AIDS. Jeremy is released after 18 years. Seeking atonement he goes looking for Jocelyn. Max Rymer, a carpenter, receives an unexpected tax demand for 150 thousand pounds, supposedly owed by his late wife from the sale of her company. Max has no knowledge of this, nor does he have 150 thousand pounds. When he investigates the company he discovers that it was previously owned by a Jocelyn Emery. His initial suspicion that Josie and Jocelyn were one and the same are soon disproved and he too goes looking for Jocelyn. The lives of Jeremy and Max become inextricably linked. Recompense Michelle Isenhoff, In a nation built upon lies, the truth is a dangerous secret. Born into Capernica's lowest social tier and not permitted to leave Settlement 56, Jaclyn (Jack) Holloway refuses to pour out her years in the local fish cannery. She gambles on the one chance available to her to advance--the high school Exit Exam. In a country that still keenly remembers its own violent birth, the smartest and strongest are richly rewarded in exchange for military service. Jack is adamant that her best friend, Will Ransom, strives for induction with her, but Will is tied to the sea. Would he give it up for her? He's never so much as kissed her. Meanwhile, a string of abductions breaks out across the nation, targeting girls eerily similar to Jack. Her Exam score places her in a position to aid Axis, the underground organization investigating the disappearances. Working in tandem with the handsome Captain Ethan Alston, Jack finds she has an unusual proclivity for the case. The evidence leads them back forty-seven years, to a series of high-profile cover-ups linked to the creation of the new nation, but nothing prepares them for the face that emerges from the past. Jack and Ethan must make a crucial decision. Blowing the whistle could have grave consequences for loved ones they've left behind, but holding their silence means history will likely repeat. And Capernica could never survive a second upheaval. A startling tale where past and present intertwine, fusing at the point of revolution. Have time to binge read? You've found your next dystopian indulgence.

Recompense Books 1-3 Michelle Isenhoff,2023-12-30 Includes the first 3 (of 6) books in the Recompense series: **RECOMPENSE**: In a nation built upon lies, the truth is a dangerous secret. Born into Capernica's lowest social tier, Jack Holloway gambles on the one chance available to advance—testing into Military caste. But if she fails the stringent physical standards and her friend Will succeeds, she won't be allowed to see him again for twenty years. Meanwhile, Capernican girls are vanishing. Jack's score lands her on an investigative team where she is to serve as bait. The case leads back forty-seven years to a series of high-profile cover-ups linked to Capernica's tumultuous formation. But nothing prepares Jack and her partner Ethan for the face that emerges from the lawlessness of the past. **BETRAYAL**: The Provocation's over, but the Recompense has just begun. Jack and her teammates have stopped the widespread abduction of Capernica's teenage girls and neutralized the operatives living among them. Now it's time to enter the portal and take the fight to the Bruelim. Even as they prepare, disgruntled Lowers hang on the brink of revolution. Their rebellion has the potential to split Capernica along its caste lines just when the nation should be pulling together against a common enemy. Meanwhile, Jack remains crazy hopeful that upcoming Military maneuvers might once again throw her into contact with her best friend Will, while Ethan, her capable Axis partner, strongly hopes they do not. Neither she nor Ethan are prepared for the testing their partnership is about to undergo. Or the revelation of their most immediate threat. **RETRIBUTION**: A slave in Brunay. A revolution in ashes. Jack was supposed to assassinate Governor

Andromeda Macron and revert Capernica back to Capernican control. But she failed, the revolution lies in ashes, and the one person she loves more than anyone in the world has betrayed her. Alone in Brunay, she becomes an anonymous cog in the vast Bruelim slave economy, where callous wardens aren't the only threat to her safety. Then Jack discovers the key to freeing Capernica from Bruel aggression forever. But even if she managed an escape, how could she leave Will in Brunay, trapped in the body of a Berkam? The Recompense series contains high stakes, sweet romance, and unforgettable characters. Got time for a binge read? You've just found your next dystopian indulgence.
