Andrew N. S. Glazer

Casino Gambling the Smart Way Andrew N. S. Glazer,1999 How to Make More Money and Have More Fun in Any Game You Choose.
Gambling in California Roger Dunstan,1997

National Gambling Impact and Policy Commission Act United States. Congress. House. Committee on the Judiciary,1996

Casino Gambling Frank Scoblete,1999-11 Frank Scoblete, casino gaming best selling author, show you how to master most casino games with very simple strategies that can cut the house edge dramatically.

101 Things You Didn't Know about Casino Gambling Justin Cord Hayes,2005-07 With sections on poker and other card games, table games, slots, video poker, Keno, and even horse racing, this book is as irreverent and entertaining as gambling itself.

Casino Conquest Frank Scoblete,2012-09-26 Penned by a reputable authority on casinos, this guide provides the tools of the trade in order to perform a successful climb to the top of the gaming mountain. A step-by-step instructional approach is presented, going beyond the standard handbooks on blackjack, craps, and slots to include tips and tricks on baccarat, roulette, and more. A must-have for both casual and professional gamblers throughout the nation, this invaluable companion is guaranteed to provide the winning edge to beat the house.

The Winner's Guide to Casino Gambling Edwin Silberstang,Edwin Silberstang,1981-08 No matter which game you play, this is the only guide you need to maximize your odds in the casino. The Winner's Guide to Casino Gambling, long recognized as the definitive guide to the best strategies at the gaming table, is now completely revised and expanded to include new rules and strategies for every major game, including several popular new ones. This entirely updated fourth edition remains the most authoritative and comprehensive book in the field, bringing gambling expert Edwin Silberstang's professional secrets and expertise to the twenty-first-century casino.

Casino Gaming in the United States Thomas R. Mirkovich,Allison A. Cowgill,1997 Overviews the casino industry and its affects on economy and society, and points the way toward print resources and organizations. Lists state information sources, regulatory agencies, and Indian gaming sites by state, related companies and associations, periodicals, and experts in the field, and offers an annotated bibliography of some 900 key references for books, articles, and government publications written from 1985 through 1994. Annotation copyrighted by Book News, Inc., Portland, OR

S. 704--the Gambling Impact Study Commission United States. Congress. Senate. Committee on Governmental Affairs,1996
How to Win at Casino Gambling Roger Gros,2000 An illustrated guide to a variety of casino gambling games.

All In Jonathan D Cohen,David G. Schwartz,2018-03-30 Gambling, the risky enterprise of chance, is one of America's favorite pastimes. Office March Madness brackets, a day at the race track, a friendly wager, the random ridiculous Super Bowl prop bet, bingo night, or the latest media frenzy over the Powerball jackpot—all emphasize the ubiquity of this major economic force and cultural phenomenon. Approximately 70 percent of Americans regularly engage in some form of betting, amounting to over \$140 billion in combined casino and lottery revenue every year. A hundred years ago, however, legal gambling was a rarity in the United States. A fresh take on the history of modern American gambling, All In provides a closer look at the shifting economic, cultural, religious, and political conditions that facilitated gambling's expansion and prominence in American consumerism and popular culture. In its pages, a diverse range of essays covering commercial and Native American casinos, sports betting, lotteries, bingo, and more piece together a picture of how gambling became so widespread over the course of the twentieth century. Drawing from a range of academic disciplines, this collection explores five aspects of American gambling history: crime, advertising, politics, religion, and identity. In doing so, All In illuminates the on-the-ground debates over gambling's expansion, the failed attempts to thwart legalized betting, and the consequences of its present ubiquity in the United States.

Casino City's Global Gaming Almanac ,2008

Entertainment and Society Shay Sayre,Cynthia King,2010-04-05 Providing an overview of the entertainment industry, this study includes entertainment economics, theories of entertainment, entertainment research, & covers different types of entertainment including media, sports, gaming, theme entertainment, travel & tourism, & live performance.

Legalized Casino Gaming in the United States Cathy Hc Hsu,2014-01-21 Covering the entire United States gaming market, Legalized Casino Gaming in the United States provides gaming researchers, policymakers, and hospitality students comprehensive overview of the history, development, legislation, and economic and social impacts of riverboat, land-based, and Native American casino gaming. Containing national and regional research about the industry, this book will provide students with a historical view on gaming and the hospitality industry, offer researchers data and current market status of the industry; and will give policymakers information about the advantages and disadvantages of a gaming industry in their community. Comprehensive and thorough, Legalized Casino Gaming in the United States is full of case studies, data, and surveys that provide you with credible information on community incomes, residents'attitudes about gaming, and gaming taxes in certain states. This fact-filled book will help you evaluate and learn about the pros and cons of the industry, including: reviewing changes in the gaming laws and regulations in particular regions and segments of the industry explaining laws and regulations by state for riverboat and other Native American land-based gaming examining negative and positive social impacts of gaming, including crime; quality of life; community services; availability of entertainment, recreation, and cultural activities; community attractiveness, such as reputation, appearance, cleanliness, and traffic; local resident attitudes; and pathological gaming explaining Nevada's gaming regulatory system, including the roles of the Nevada Gaming Commission and Gaming Control Board, and discussing issues related to currency transactions, exclusion lists, work permits, customer disputes, and underage gambling discussing positive economic aspects of Native American gaming, such as tax benefits, in Connecticut, Wisconsin, Oregon, and Minnesota, and how the industry impacts surrounding communities Examining the industry from ethical, economic, and social standpoints, the contributors offer you several perspectives of a situation, not just one side of an issue, to help you make educated decisions or opinions about gaming. Bolstered with charts, graphs, tables, and future research recommendations, Legalized Casino Gaming in the United States offers you an in-depth and comprehensive look at the gaming industry, helping you weigh the positive and negative effects of one of the most popular areas of hospitality.

Gaming Guide - Gambling in Europe Nicolae Sfetcu,2016-11-09 Since the emergence of the internet in the 1990s, an increasing number of gambling services have come available on-line or through other new remote communications technologies. The rapid technological advancements, commercial initiatives, and market penetration of such commerce have made this sector of the gambling services industries extremely dynamic and potentially transformative in the years ahead. Demand for gambling services in the early 21 century and for the past half-century in the European Union – as well as in most other parts of the world – has been and is expanding rapidly, for a number of reasons. The commercial and government owned gaming industries of the European Union are organized under a wide variety of ownership regimes and market structures. Ownership and market structures are affected by numerous factors, including Member State laws and regulations; restrictions on product types, characteristics, points of sale, availability, and marketing effort; economies of scale; network effects; and impacts of new technologies. The overall gambling market in Europe is growing, both land-based and online. Lotteries and gambling machines remain the biggest sectors in the overall gambling market. While not all EU Member States have a legal definition of the concepts of “games of chance” and of “gambling”, in most jurisdictions a game of chance is defined as a game that offers an opportunity to compete for prizes, where success depends completely or predominantly on coincidence or an unknown future result and cannot be influenced by the player. At least one of the players loses his or her stake. The

first important element characterising a game of chance is that of stake money or monetary value. The second essential characteristic of a game of chance is the element of chance. Success or loss must depend completely or predominantly on coincidence and not on abilities and knowledge. Success is considered to depend in any case on coincidence, if the relevant aspect is the occurrence of an uncertain event. The section Gambling in Europe includes several independent adaptations of the corresponding European Commission works, free to use and freely available via the EU website with © European Union, and translation of the European Commission works with © Nico9lae Sfetcu, the author of this book. Most of the work are published by the European Union during 2004 - 2008, so it is possible to be outdated.

Casino Gambling for Dummies Kevin Blackwood,
Official Gazette of the United States Patent and Trademark Office ,2004
Beat the Craps Out of the Casinos Frank Scoblete,1991 Beat the Craps Out of the Casinos is the number one bestselling craps title of all time. And now this classic title has been completely updated for those gamblers who want to know how to beat the house!
Entertainment Industry Economics Harold L. Vogel,2014-12-31 Fully updated, this ninth edition remains the definitive source on the economics of entertainment in the United States and overseas.
Casino Journal ,2007
