Tetris Brian "Box" Brown,2016-11-01 For fans of Tetris on Apple TV+, read the true story of Henk

Rogers, Alexey Pajitnov, and the perfect game. Simple yet addictive, Tetris delivers an irresistible, unending puzzle that has players hooked. Play it long enough and you'll see those brightly colored geometric shapes everywhere. You'll see them in your dreams. Alexey Pajitnov had big ideas about games. In 1984, he created Tetris in his spare time while developing software for the Soviet government. Once Tetris emerged from behind the Iron Curtain, it was an instant hit. Nintendo, Atari, Sega—game developers big and small all wanted Tetris. A bidding war was sparked, followed by clandestine trips to Moscow, backroom deals, innumerable miscommunications, and outright theft. In this graphic novel, New York Times–bestselling author Box Brown untangles this complex history and delves deep into the role games play in art, culture, and commerce. For the first time and in unparalleled detail, Tetris: The Games People Play tells the true story of the world's most popular video game.

In just a few decades, video games have grown increasingly complex and sophisticated,

Yet few outside this world have thought deeply about how these games work, why they are so appealing, and what they are capable of artistically. Game Night Jonny Nexus,2007-12 The gods don't play dice with the universe... unless it's game night. A twelve-thousand-year quest is about to be completed, prophecies will be fulfilled, ancient riddles answered, legendary evils bested, and the nature of the universe revealed. All that's needed is a band of mighty heroes to do the completing. Unfortunately for the locals, some of the gods have

taken a personal interest in the chronicle of these heroes' adventures. Now they are each guiding one of the characters towards the conclusion of their epic journey. That is, when they're not squabbling, backstabbing each other, blowing things up by accident, refusing to play by the rules, and turning the Allfather's creation into a mess of petty arguments, fantasy cliché, gratuitous combat and unnecessary dice rolls. If you thought your games group couldn't be any worse, Game Night shows just how bad things can get when a bunch of unruly deities decide they want to play. And may the heavens help us all. Jonny Nexus is editor of the acclaimed webzine Critical Miss and author of The Slayers' Guide to Games Masters
