*Human Security* W.E. Blatz,1966-12-15 During his lifetime, W.E. Blatz was so much occupied with the development of the University of Toronto's Institute of Child Study that he was able to devote little time to writing. This is his first book to appear in twenty-one years, and his first complete exposition of his famous Theory of Security. The Theory of Security is radically different from the theories promulgated by Freudian psychologists. Whereas Freudian personality theory is based on the notion of "unconscious," an entity that is only indirectly observable, the Theory of Security derives from the observation of the conscious state in all its manifestations. Dr. Blatz thus makes use of both empirical observations and the results of introspection, and, as might be expected, some of his conclusions run counter to those reached in much current psychological discussion. But proof of the forcible influence of the theory and its author may be found in the impressive number of books and articles already published by Dr. Blatz's associates at the Institute of Child Study, applying the theory to the practical problems of psychological observation and therapy. It is fitting that the man whose work has generated so much fruitful research by others in this field should at last have set down in book form the fundamental principles that guided them.

**A Life Less Ordinary** John Hodge,1997 He's a down-on-his-luck janitor with aspirations of writing the great American trash novel. She's the spoiled, sharp-tongued boss's daughter, always looking for a creative way to spice up her boring life. Normally, these two would never meet, but a higher power has different plans for both of them. The major motion picture from 20th Century Fox starring Ewan McGregor, Cameron Diaz and Holly Hunter hits the box office in October.

Introducing Microsoft ASP.NET Ajax Dino Esposito,2007 Providing an overview of the ASP.NET AJAX framework with numerous examples to familiarize you with a variety of techniques and tools, this expert introduction offers hands-on instruction and examples of Web development with AJAX.

Introducing Microsoft LINQ Paolo Pialorsi,Marco Russo,2007 Get a head start on using the Microsoft Language Integrated Query (LINQ) Project with advance insights from two experienced developers. Data-rich applications can be difficult to create because of the tremendous differences between query languages used to access data and programming languages commonly used to write applications. This practical guide introduces LINQ, a set of extensions to the Microsoft Visual C# and Microsoft Visual Basic programming languages. Instead of traversing different language syntaxes required for accessing data from relational and hierarchical data sources, developers will learn how to write queries natively in C# or Visual Basic. Written by two experienced developers with strong ties to Microsoft's developer teams, this book introduces the LINQ architecture and classes, describes the new language features in both C# and Visual Basic, and provides code samples in both languages.

**The Convent of Hell** Ignacio Noe,Barreiro,1998-03 A convent in Spain. Nuns going about their routine in the name of God. But all is not quite as it seems. There are cracks on the surface. Some nuns seem to harbor secret lusts for each other. Then there's an accident in the cellar revealing a very old condemned door found on no plan. One of the less holy nuns has a satanic nightmare about it. She decides to find out. What she unleashes is an unholy bedlam of depravity and lust! Beautifully painted and full of very raw sexual energy!

**The Pied Piper of Tucson** Don Moser,Jerry Cohen,1967 It was Life and Time magazines that turned a local story from Tucson, Arizona, into a national abomination. Reporters came from all over, to be sure, but on March 4, 1966, Life printed an ominous photo of the desert landscape where three girls had disappeared and the story of Charles Howard Schmid, Jr., or Smitty, became international news. He had been arrested four months earlier on November 11, just after marrying a fifteen-year-old

girl whom he'd met on a blind date. The article was published even before the juries in two separate trials had decided his fate. Dubbed The Pied Piper of Tucson, for his ability to get girls to fall for him, he stood five feet, four inches tall, but added three more inches by padding his stack-heeled cowboy boots with rags and tin cans. He also dyed his reddish-brown hair black, used pancake make-up, whitened his lips, and applied a fake mole to his left cheek-a beauty mark. Arrogant and narcissistic, he came from a wealthy family, so he used the niceties he could buy to impress young high school girls. He adopted the droopy-eyed look associated with Elvis, his idol, and acquired a rock musician's mystique. His tiny house on his parents' property was the scene of many parties. Tucson society was not merely shaken by the murders of three of their young women but by what the details of those murders revealed about its adolescent population-sex clubs, drinking parties, blackmail, cover-ups for murder, and even connections with the crime underworld. Parents suddenly became more strict, more aware now that their kids weren't safe and maybe weren't even behaving properly. When kids looked to someone like Charles Schmid for answers, there was something terribly wrong.

The Wilful Princess and the Piebald Prince Robin Hobb,2017-11 Internationally-bestselling, critically-acclaimed author Robin Hobb takes readers deep into the history behind the Farseer series in this exclusive, new novella. Long before the time of Chivalry Farseer, there was another indiscreet member of the royal line. Princess Caution Farseer, in defiance of her name, was headstrong and willful, destined to fall dangerously in love where she ought not. The child she bore, a Witted boy known as the Piebald Prince, rose to favour despite his questionable bloodlines. But the dukes of the Six Duchies backed Canny Farseer for the throne. And so both young men competed for power... But this was not their only struggle: for they both fell in love with the same lady. Such rivalry could end only in bloodshed... A tale of love and secrets, magic and manipulation, heartbreak and murder most foul: only a true-tongued minstrel can reveal the real story of the Wilful Princess and the Piebald Prince.

*Secrets for Success and Happiness* Og Mandino,1996-09-30 It's safe to say that world-famous speaker and author Og Mandino has as many friends as any man alive, thanks to his inspiring motivational lectures and his bestselling books. This new book is a special gift to all his friends, old and new, a book they may cherish above all the rest. SECRETS FOR SUCCESS AND HAPPINESS is Og's beautifully written journal, an intimate record of his innermost thoughts and feelings, the heartwarming events of his day-to-day life. Whether he's writing in his old New Hampshire farmhouse on a snowy winter day or in a hotel room just about anywhere in the country; whether he's refilling the bird feeder, comforting a sick friend, racing to catch a plane, or planting his tomatoes; Og weaves his secrets of success into the fabric of his life and the pages of this book. He shares anecdotes, both sad and funny, and his feelings about his fan mail and the people he meets. And when trouble comes to him, he shares that, too. Living with Og and listening to his thoughts as the rich days unfold, we once again find the sheer joy of wondering what tomorrow will bring, and the courage never to look back on yesterday.
