Oxford Beginner's German Dictionary Neil Morris,2006 The Oxford Beginner's German Dictionary is a brand new guide to learning German. Designed specifically for English-speaking adult learners who are either learning from scratch or refreshing lost language skills, it offers an easy to use dictionary, extra help with vocabulary, and essential information on living and interacting in the German-speaking world. The dictionary is exceptionally easy to use, because it moves away from the traditional dictionary layout. All main translations are preceded by an equals sign so that they are instantly identifiable, and all parts of the entry are spelt out in full, avoiding confusing jargon and abbreviations. Grammar and usage notes throughout the text warn of possible translation pitfalls, and thousands of example phrases show how the language is used in context The 30-page Learning and Lifestyle kit gives key information on both the German language, with a list of the words you really need to know, grammar help, and verb tables, and on life in the German-speaking world: background information on lifestyle and culture, tips on etiquette and interaction in the language, and a phrasefinder for use when travelling. The Oxford Beginner's German Dictionary is your essential companion to learning German.

Just Look 'n Learn English Picture Dictionary Daniel J. Hochstatter,2003-02-21 Charming characters and easy-to-understand contextual sentences add up to foreign language dictionaries that children will adore! The Just Look 'n Learn Picture Dictionary series can be used as a way to build the language skills of children ages seven through twelve, or as home reinforcement of school learning for students grades three through six. Each book defines and illustrates more than 1,500 commonly taught words in the language. Accompanied by colorful and fun illustrations, each entry begins with a headword given in English, followed by its translation and example sentences in both languages all to make the meaning of each word perfectly clear. Also, these dictionaries aid learning of numbers, days of the week, directions, and telling time in the new language. Both adults and children will find that this series makes language learning easy and enjoyable.

German Vocabulary Book Pinhok Languages,2022-04-24 German vocabulary book + German dictionary This German vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic German-English as well as English-German dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This German learning resource is a combination of German vocabulary book and a two-way basic German dictionary: Part 1 - Topic based German vocabulary book: This is the main part of the book and represents a list of chapters each containing German vocabularies for a certain topic. The German vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-German dictionary: The index in the second half of the book can be used as a basic German dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic German-English dictionary: Easy to use and with just the

right amount of words, this third part finishes off with a second index that allows you to look for German words and directly find the English translation How to use this German vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The German dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the German translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic German dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning German and comes in particularly handy at times when there is no internet to look up words and phrases.
