Africa Bible Commentary Tokunboh Adeyemo, 2006 Publisher description

Long and Winding Roads, Revised Edition Kenneth Womack, 2022-12-15 In *Long and Winding Roads: The Evolving Artistry of the Beatles, Revised Edition*, Kenneth Womack brings the band's story vividly to life—from their salad days as a Liverpool Skiffle group and their apprenticeship in the nightclubs and mean streets of Hamburg through their early triumphs at the legendary Cavern Club and the massive onslaught of Beatlemania itself. By mapping the group's development as an artistic fusion, Womack traces the Beatles' creative arc from their first, primitive recordings through Abbey Road and the twilight of their career. In this revised edition, Womack addresses new insights in

Beatles-related scholarship since the original publication of *Long and Winding Roads*, along with hundreds of the group's outtakes released in the intervening years. The updated edition also affords attention to the Beatles' musical debt to Rhythm and Blues, as well as to key recent discoveries that vastly shift our understanding of formative events in the band's timeless story.
