A Shepherd to Fools Drew Mendelson,2021-08-12 A Shepherd to Fools is the second of Drew Mendelson’s trilogy of Vietnam War novels that began with Song Ba To and will conclude with Poke the Dragon. Shepherd: It is the ragged end of the Vietnam war. With the debacle of a failing South Vietnamese invasion of Northern Laos as background, A Shepherd to Fools tells the harrowing tale of a covert Hatchet Team of US soldiers and Montagnard mercenaries. They are ordered to find and capture or kill a band of American deserters, called Longshadows, before the world learns of their paralyzing rebellion. An earlier attempt to capture them failed disastrously, the facts of it buried. Captain Hugh Englander commands the Hatchet Team. He is a humorless bastard, sneering and discourteous to every regular army soldier. He cares little for the welfare of his own men and nothing for the lives of the deserters. The conflict between him and Captain David Weisman, the artillery officer assigned to the mission for artillery support, threatens to tear the team apart. Deep in the Laotian jungle, the team is caught in a final, horrific battle facing an enemy armed with Sarin nerve gas, the “worst of the worst” of the war’s clandestine weapons.

Unfollow Your Passion Terri Trespicio,2023-01-03 One of the Best Feel-Good Books of 2021 by The Washington Post A hilarious and honest not-quite-self-help book in the vein of Buy Yourself the F*cking Lilies and I Used to Have a Plan. Every person on the planet wants their life to mean something. The problem is that you’ve been told there’s only one way to find that meaning. In Unfollow Your Passion, Terri Trespicio—whose TEDx talk has more than six million views—questions everything you think you need: passion (fun, but fleeting), plans (flimsy at best), and a bucket list (eye roll), to name a few. Instead, she shows you how (and why) to flip society, culture, and the #patriarchy the bird so you can live life on your terms. Trespicio effortlessly guides you through her method of unhooking yourself from other people’s agendas, boning up on the skills to move you forward, and exploring your own creativity, memory, and intuition to unlock your unique path to meaning—while also confronting the challenges that stop you in your tracks, like boredom, loss, and fear. Unfollow Your Passion is a fresh and fearless “must-read for anyone looking for a more meaningful life” (Mel Robbins, author of The 5 Second Rule).

Reading Like a Writer Francine Prose,2012-04-01 DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, Reading Like a Writer will inspire readers to return to literature with a fresh eye and an eager heart - to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O’Connor

for the cunning use of the telling detail; to be inspired by Emily Brontë’s structural nuance and Charles Dickens’s deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

You’re Weird BO SANCHEZ,

So Good They Can't Ignore You Cal Newport,2012-09-18 In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that follow your passion is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to be so good they can't ignore you, Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the

way you think about careers, happiness, and the crafting of a remarkable life.
