**What Haunts Me** Margaret Millmore, 2014-11-15 **What Haunts Me** – Ghost Killer – Book 1 (a supernatural/paranormal thriller) is the first book in an episodic series. It is currently listed on Amazon as a pre-order item and will be officially published on November 15, 2014. Back cover: You can't kill something that's already dead. Unless of course you're George. There are ghosts and demons that wander among the living; they do not haunt in the traditional sense. Instead, they plague the living with diseases and physical deformities, and once a ghost finds its victim it will haunt them for a lifetime. A mild illness brings on the dreams, which trigger the suppressed memories, which in turn allows George to see ghosts. Along with this new sight into a realm unknown to most, George instinctually knows that he must kill the ghosts. Of course none of this makes sense, but he cannot control the urge to kill when he encounters them, because deep inside, he knows this is what he must do. Another thing he knows; if he kills a ghost, a person nearby is suddenly healed. His acceptance of this newfound ability to see and kill ghosts becomes his obsession, but it is also destroying his life and threatening his sanity. George seeks the help of Phil, a known paranormal expert, who briefly explains his new ability, but also warns him about a dangerous man who is looking for a powerful ghost killer, and insinuates that George is that powerful ghost killer. Soon after, George meets Billy, a young woman with a brazen and unlikable personality. However, she is another ghost killer, and that makes her someone he needs to know. With the help of Billy and Phil, George looks for answers as to how and why he's

become what he is and who and what the dangerous man wants. His quest for knowledge leads him to new friends and allies, but also to enemies he could never have imagined, enemies that killed his mother and grandparents and now want him.

*Ghost Stories from the Ghosts' Point of View, Vol. 1* Tina

Erwin, 2018-03-06 Now in its second edition, this ground-breaking book shares with you stories of life after death from the ghosts' own point of view. Some stories are tragic, some comical, some stunning and all of them fascinating. Meet Annabelle, a seven-year-old ghost in pink pajamas who was desperately looking for her family, or Lydia, a ghost who was being haunted by the living. There are more unforgettable stories in this poignant, unnerving and hopeful view of life after death. Author and intuitive, Tina Erwin is not your ordinary psychic. She is a retired US Navy Commander AND a ghost helper,

NOT a ghost hunter. She not only talks to the dead, she assists them in crossing over to the Heaven World. Listen as each ghost tells you: What it's like to be dead. What it's like to be driving down the road one minute and the next have no idea where you are. A soul's frustration as he talks to someone who cannot seem to hear him no matter what he does. Or how much some ghosts enjoy controlling the living from the grave. Ghost Stories from the Ghosts' Point of View is a haunting look at not only what it's like to be a ghost, but also what it's like to find yourself dead and have no idea what to do, where to go or how to change your surroundings. This ground-breaking book invites you to finally hear their stories, to understand the ghosts' point of view and learn what it feels like for them when they are embraced by the light of the Heaven World. Listen as each ghost tells you: What it's like to be dead. What it's like to be driving down the road one minute and then the next have no idea where you are. What it's like to be talking to someone who cannot seem to hear you no matter what you do. What it's like to still control the living from the grave. What it's like to be haunted in death by the living.

Getting a virtual buzz is the only thing left to live for. It's the biggest industry, the only industry, the drug everyone needs, and gangsters

run it all. And who do these gangsters turn to when they need their rule enforced? Constables Led Dent and Debbie Decay. This duo is about to be given a job that will force them out of the familiar squalor of Los Angeles to take down the last tech-less country on Earth: The Garden Nation of Tokyo. Ginger Stuyvesant, an American heiress living in London during World War I, is engaged to Captain Benjamin Harford, an intelligence officer. Ginger is a medium for the Spirit Corps, a special Spiritualist force. Each soldier heading for the front is conditioned to report to the mediums of the Spirit Corps when they die so the Corps can pass instant information about troop movements to military intelligence.

Ginger and her fellow mediums contribute a great deal to the war efforts, so long as they pass the information through appropriate channels. While Ben is away at the front, Ginger discovers the presence of a traitor. Without the presence of her fiancé to validate her findings, the top brass thinks she's just imagining things. Even worse, it is clear that the Spirit Corps is now being directly targeted by the German war effort. Left to her own devices, Ginger has to find out how the Germans are targeting the Spirit Corps and stop them. This is a difficult and dangerous task for a woman of that era, but this time both the spirit and the flesh are willing...
