Simplify Your Holidays Marcia Ramsland,2008-09-16 Organization and simplification expert Marcia Ramsland tackles the holidays with an eight-week plan designed to make Christmas a season of celebration, not stress. Most people begin to prepare for Christmas as soon as Thanksgiving is over, which can create great stress since Thanksgiving happens at a different time every year. However, Halloween is consistently eight weeks before Christmas, so beginning then ensures enough time to prepare and plan for both Christmas and Thanksgiving and to make this a season of joy for yourself and your family. This planner addresses all the details of the busy holiday season, including buying, wrapping, and sending presents, sending Christmas cards, home decorations, and cooking and baking. What sets this planner apart is a day-by-day plan that breaks every task into manageable pieces and a daily devotional journal that keeps the reader focused on the reason for all the activity, encouraging a spirit of praise, not panic.

Light Is the New Black Rebecca Campbell,2015-07-06 An encouraging guidebook to awaken to your potential, connect with the callings of your soul, and light up the world with your presence. This international bestselling book has helped hundreds of thousands of people all over the world to create a life that is in deep alignment with their soul. Light Is The New Black is an inspiring book with a message that is so needed right now. Rebecca courageously guides us to turn our lights on and follow the daily calls of our soul so we can all light up the world with our authentic spirit.” – Sonia Choquette, bestselling author of The Answer is Simple ANSWER THE CALL OF YOUR SOUL AND WORK YOUR LIGHT Your inner light is your soul and it is guiding you every moment of every day. Light Is the New Black is for those who agreed to be here at this time in history to answer the call of their soul and work their light. Rebecca Campbell had her first awakening when she was a teenager, but without anyone to guide her, she ignored her soul's callings and dimmed her light in order to fit in. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this inspirational book, Rebecca shares her own healing journey, alongside practical tools to help you reconnect with the core of your being, and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in divine alignment, discover your soul gifts, and offer the world something that only you can give. “When I first woke up to the callings of my soul, I lacked the courage, confidence, inner support, and practical tools not just to hear the callings of my soul, but to let them truly lead my life. There were pieces missing, a journey needed to be taken. I called upon the Universe and spiritual teachers to support me. This book is the result of that journey. You can read it in one sitting, one chapter a day, or pick a page at random for an instant hit of guidance. Throughout you will find ‘Work Your Light’ exercises, mantras, and affirmations. I created these with the intention of guiding you not only to hear the callings of your soul, but to act on them too... I pray that you discover the authentic gift to the world that you already are and choose to serve the world by being You. Follow what lights you up and you will light up the world. So much love, Rebecca x

Charism in the Church Constant Leke Ngolefac,2024-03-01 Charism is a hot contemporary issue. The growing interest in the charisms is one of the significant religious developments of our time. Opinions on charisms vary to a remarkable degree. Unfortunately, in some cases, diverse viewpoints have led to confusion among Christians. On the positive side though, this developing interest in charisms has contributed to spiritual renewal and stimulated biblical research in this most important area of the Church's life. The exponential growth of the Charismatic/Pentecostal Movement throughout the world and especially in Africa urged led to choice

of this topic on charisms. In the Charismatic/Pentecostal Movements the issue of charisms is very vital and extremely important. It is at the centre of its spirituality and practice. This Movement has spread to almost all major Christian confessions/denominations and continues to attract many followers. This work is unique among the many studies written on the charisms. Even though the subject of charisms has received some scholarly attention, most have not delved into the role of the charisms in the Church from Pauline perspective as this study does. The following observations and reasons demonstrate that it is still meaningful and worthwhile to study charisms in Pauline letters.

Off the Beaten Path Jacobus Kok,Martin Webber (Eds., in collaboration with Jeremy Otten and Mark Paridaens), In this book, the academic colleagues of Prof. Dr. Gie Vleugels, who turned 65 in 2021, celebrate his life by contributing chapters in his honor. Several chapters are innovative in nature, including Clemens Wassermann's comparative analysis of 1 John and the Fourth Gospel, which utilizes insights from Semitic syntax and shows how spoken Semitic dialects help us to unearth new perspectives on the relationship between John's Gospel and 1 John. The chapter on the Didache by Martin Webber makes innovative use of Social Identity Complexity Theory. Other contributions come from the fields of New Testament, Old Testament, Historical Theology, and Systematic Theology. Prof. Dr. Dr. Jacobus Kok is Professor and Department Chair of New Testament Studies and Co-Director of RCEC at the Evangelische Theologische Faculteit, Leuven in Belgium, as well as Professor Extraordinarius and NRF B3 rated scholar in the Department of New Testament and Related Literature, Faculty of Theology and Religion, University of Pretoria in South Africa.

Gift and Giver Craig S. Keener,2001-05 Affirms the validity of spiritual gifts while seeking to restore a biblical emphasis on why the gifts are given.

1 Corinthians (Brazos Theological Commentary on the Bible) Kimlyn J. Bender,2022-11-08 The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition, in all its diversity, provides the proper basis for the interpretation of the Bible as Christian scripture. The series volumes, written by leading theologians, encourage readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today. In this addition to the series, respected theologian Kimlyn Bender offers a theological reading of 1 Corinthians. As with other volumes in the series, this commentary is designed to serve the church, providing a rich resource for preachers, teachers, students, and study groups. It demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible.

1 Corinthians B. J. Oropeza,2017-10-27 This compact commentary on 1 Corinthians is both readable and full of insights that will engage students, ministers, and scholars alike. The Apostle Paul writes to a relatively new church in which members are failing to maintain solidarity with other members. They struggle to find their unique place in Roman society as Gentile followers of Jewish leaders that proclaim Christ as Lord. Their many problems include competition over leadership and social prestige, sexual impropriety, household conflicts, idol foods, table fellowship, protocols on gender and the use of spiritual gifts, and confusion about death, immortality, and Christ’s return. Oropeza addresses Paul’s response to these and other issues as he engages ancient biblical, Jewish, and Greco-Roman sources along with recent scholarship. This is a must-read for those who want to understand the Corinthian situation and Paul’s response in a new way.
