Provocative Lisa Renee Jones, 2023-06-12 Book one in the sexy and scintillating new White Lies Duet by Lisa Renee Jones! There are those moments in life that are provocative in their very existence, that embed in our minds forever, and sometimes our very souls. They change us, mold us, maybe even save us. But some are darker, dangerous. If we allow them to, they control us. Seduce us. Quite possibly even destroy us. The moment I walked into Sonoma's Reid Winter Winery and Vineyard and made

eye contact with Faith Winter for the first time was one of those moments. Provocative because I know at least one of her secrets, of which, I suspect she has many. Provocative because she believes I was a stranger to her when we met, but I am not. Provocative because I sought her out, with no intention of touching her. But now I have. Now I want her. Now I have to have her. But that changes nothing. It doesn't change why I came for her.

Building Better Web Pages Rebecca Frances Rohan, 1998 Assuming no Java programming background, this book is designed to help those interested in Web publishing bring all the elements together to create professional, powerful, and effective Web pages. Readers will learn task-saving tips on where to download programs that do all the work, from creation to management of Web pages. The book offers pointers to thousands of free animations, photos, drawings, sounds, Java applets, CGI and other scripts, and gorgeous Web graphic sets.

Web Design in a Nutshell Jennifer Niederst Robbins, 2006-02-21 Details a variety of front-end technologies and techniques and reviews Web design fundamentals while explaining how to work with HTML, graphics, and multimedia and interactive applications.

The Software Encyclopedia , 1986

White Lies Lisa Renee Jones, 2022-09-27 Some moments in life are more dangerous—and more seductive—than others. For attorney Nick Rogers, that moment happens the second he walks into Faith Winter's winery and lays eyes on her. Confidence,

beauty, and inscrutable vulnerability. Provocative. But Nick knows at least one of Faith's secrets—one of what he suspects is many... But Nick has a secret of his own: he already knows who she is. He's only playing the role of a stranger, just enough to get to know her, to find out if Faith truly is the one who hurt his family. Hurt him. But Nick's façade was only supposed to be on the surface. And now that he's touched her, he wants her. And wanting her means he has to have her. Now lust and love are battling for Nick's soul, even as he lures Faith deeper. Into his life. Into his heart. He could lose everything. But soon the lies will be exposed and the truth revealed. Because where the white lies end...obsession begins. This book was previously published as two separate titles, Provocative and Shameless. No changes or updates were made before creating this compilation.
