Gifts of the Lotus ,1974-01-01 Here are three-hundred and sixty-six meditations-one for each day of the year-each from the heart of a spiritually oriented philosopher from Plato to Emerson to Sri Aurobindo to a host of theosophical students and scholars. Inside of this miniature Quest book is a complete philosophy for living; quiet, short, engaging thoughts, each alive with the spirit of being. In truth this is not a book to be studied. It is a book to be carried in the pocket or purse. It is a book to be treasured.

**The Gift-Knight's Quest** Dylan Madeley,2017-08-30 Chandra had yet to fathom why Jonnecht could not have lived and ruled for many long years, or why it was so urgent that she ascend immediately. Chandra never asked to rule Kensrik, but fate took a strange course. Known as a usurper and sorceress by most and traumatised by all that has transpired, she is forced to make use of the few loyal allies she has in order to hold together her restless empire. In an attempt to identify and defeat the conspirators who inadvertently landed her in power, Chandra risks putting the lives of many in mortal danger, as well as her own. Derek is an aimless wanderer - the youngest in a lineage that has long fallen from nobility. He finds himself summoned by tradition to serve a family historically considered his bitter enemy. As he journeys down the same path a fateful ancestor once travelled, he struggles with personal demons and begins to reconsider his loyalty to the mission. Duke Lenn found one true cause in love and it cost him everything. His legacy shaped the present in which Chandra and Derek find themselves. Now their choice will shape the future of Kensrik... The Gift-Knight's Quest is set in a new and vividly imagined world, written with delicate prose that will allow the reader to explore with their imagination. The author was inspired during the composition of this novel by the likes of Michael Moorcock, J. G. Ballard and Roger Zelazny, but doesn't claim to be any of them; he hoped to imagine something different. This book may appeal to fans of fantasy and historical fiction. *My Son A Gift from God* Jack Pusch,2010-05-07 I wrote this book to honor my son Bill. He was truly a unique person, and I want the world to know how special he really was. He was an excellent husband, father, and a son we all usually only dream of having. Not flawless, but darn near. Being responsible, doing good work, meeting all of our obligations, while being totally honest about

everything, drove him. He said he and I loved each other as father and son and that we were also best friends. We really were. I have strong opinions, and so did he, but we were so close that we could discuss anything that was happening and enjoy our togetherness. His concern for Lisa, Alexa, and Ben about every aspect of their lives was his first duty as he saw it. He personified the words honesty, fairness and decency. A real man's man he was. He loved our country so much that he voluntarily returned to the Army for Operation Desert Storm. I thought my son had given enough, losing the lower lobe of the right lung. He told me about convincing the doctor to take him back because he said it was his duty. Fortunately he was sent to Hawaii instead of Kuwait. After diabetes was found he joined the Army National Guard, and later the Army Reserve so he could again have a military connection. After he had to stop flying because of diabetes and knew he could never fly a Marine Corps Fighter Aircraft, it was hard for him to accept. I guess his thinking was that being an Army JAG Corps Officer was about as good as it could be. His brilliant mind, common sense, humble soul, and deeply rooted Christian Faith made him a wonderful man, and me a proud father.

**Quest Log Premium Gift Journals, 2019-07-19** The ultimate Quest Log for the game called Real Life A complex game always needs a suitable quest log so that the gamer keeps track of all the tasks and missions and that he can follow his progress. A DLC that is definitely worth it Sure, the gamer can successfully compete in Real Life even without this additional DLC called Quest Log, but the innovative interface with 100 lined pages on cream-colored paper encased in a glossy soft cover provides enough space for all the notes for the main quest Life or the annoying side tasks such as Work or Studying. This allows the gamer to gain a clear advantage over other players! (Some evil tongues already speak of Pay2Win!) The next step after Virtual Reality and Augmented Reality Be one of the first gamers to use this latest evolutionary milestone. Thanks to modern high-end technology, you do not need a virtual reality goggle or a smart device to use the Quest Log item, which is not only visually true to a real book, but also feels like a real book! You have to see it with your own eyes! Also usable in PvP While the Quest Log has been designed primarily as a tool to accomplish tasks, if a match is tough, an experienced gamer can use the item as a weapon and beat it on to opposing players. Although the approximately 8x5 large book with 100 pages can certainly achieve some DPS. But this use is not recommended.
